OFFICE OF THE PRESIDENT

March 4, 1937.

Dear Principal Morgan:

I have been asked by my Board of Governors to invite you to a luncheon in the Halifax Club, on March 12, at 1 p.m. This will be just a friendly, informal gathering, and there will be no programme of speeches. Doubtless the Chairman of the Board, Mr. Hector McInnes, K.C., will bid you welcome, and no one will expect you to say more than a few words-unless it happens that you want to deliver yourself at greater length.

Yours sincerely,

Carlton Stanley
