Dear Mr. Harlan:-

Please accept my best thanks for the copy of the Murray Bay 'Habitant' for August 1919 which you were good enough to send me and which contains your most timely article entitled: "Who won the War?".

Gentlemen with your wide outlook and international knowledge and sympathies can be of great service in preventing misunderstandings from arising, which, when they have once solidified in the minds of people are most difficult to eradicate.

I appreciate most highly the article and thank you very sincerely for forwarding a copy of it to me.

With best wishes. I remain

Yours very sincerely

J. D. K.

Acting Principal.
