

THE CHEMISTS' CLUB

52 EAST 41ST STREET

NEW YORK

March 31st 1923

My dear Principal,

Your kind letter
answered my arrival in New
York and I wish to thank Lady
Curie and you for your offer
that I should stay with you while
visiting McGill University.

I am very glad indeed to
accept and if convenient to
you propose to arrive about the
29th of April. My last sail
from Montreal on May 3rd.

If this is convenient to you
please do not trouble to answer
this and I shall write a wire
