Montreal.

Dear Sir:-

With further reference to your letter of March 14th last when you wrote asking about the arrangements we intended to make for carrying out our Accountancy work next session, I beg to say that the Board of Governors have approved the appointment of Mr. Robert Thompson, C.A. of Glasgow, as a full-time Professor of Accountancy in the Department of Commerce.

Professor Sugars' report, now before me, states that with this addition to our staff we shall not require further help in Accountancy next session, so your engagement with the University will terminate with the present session.

Let me thank you very much for the assistance you have given us in the past.

Yours faithfully,

Principal.
