

February 3rd, 1930.

Mr. Joseph P. Chamberlain,
Columbia University,
New York.

Dear Mr. Chamberlain,

I am this morning in receipt of your communication of January 31st with reference to the meeting of the Committee on International Relations, Social Science Research Council, at the end of February or early in March.

I cannot promise to be present on any date about that time, and for this reason - I expect to be fully engaged with the work of the Special Committee of the Canadian Parliament which will have to do with the revision of the Pensions Law.

As far as I can see at present, there is no reason why I could not attend a meeting early in June; but the last week in May is most inconvenient, because during that week the closing exercises of this University take place.

Ever yours faithfully,

Principal.
