

June 17, 1925.

J.A. McKinnon, Esq.,
Canadian Pavilion,
British Empire Exhibition,
Wembley.

Dear Mr. McKinnon:-

With reference to your telegram suggesting that we should arrange for a representative of the Canadian Universities at Wembley, I understand from Mr. Dunlop that the University of Toronto has taken over the responsibility until the end of July. We will make a corresponding arrangement for August. I do not know whether it is worth doing anything for September, but this can perhaps be arranged for a little later on.

We have asked Mr. H.R.L. Davis, a student in the Fourth Year of the Medical Course who has also attended the University of British Columbia and the Ontario Agricultural College, to be in attendance during August and he will report about August 1st.

Yours faithfully,

Wilfrid Bovey.
