M o n t r e a l.

Dear Mr. Purvis,

In your last letter, in which you were good enough to say that you would contribute a scholarship to McGill University, you asked me to notify you when the first payment of \$400.00 would be due.

It is customary for the annual payment of these scholarships to be made on 1st October, and if convenient to you, I would be very grateful indeed to receive a cheque.

Yours sincerely,

Acting Principal.
