

McGILL UNIVERSITY;
MONTREAL.

DEPARTMENT OF PHYSICAL EDUCATION.

12th February, 1921.

Mr.

Dear Sir:

According to the records in this Department you are deficient in attendance for the first term.

The regulations, page 293 of the Calendar, were amended at a meeting of Corporation on the 9th inst., so that it will not be possible for you to proceed with the next year of your course unless you satisfy the requirements in this Department.

I am instructed to issue this warning to you at this time and to state that if immediate attention is given to this matter, you might yet be able to do sufficient work before the close of the session to safeguard your standing for admission to college next year.

Yours truly,

Director,

DEPARTMENT OF PHYSICAL EDUCATION.
