The treatment of many thousands of
cases of those chronic weaknesses and
distressing ailments peculiar to females,
at the Invalids' Hotel and Surgical In-
stitute, Buffalo, N. Y., has afforded a
vast experience in nicely adapting and
thoroughly testing remedies for the
cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription
is the outgrowth, or result, of this
great and valuable experience. Thou-
sands of testimonials received from pa-
tients and from physicians who have
tested it in the more aggravated and
obstinate cases which had baffled their
skill, prove it to be the most wonderful
remedy ever devised for the relief and
cure of suffering women. It is not re-
commended as a "cure-all," but as a
most perfect Specific for woman's
peculiar ailments.

As a powerful, invigorating
tonic it imparts strength to the whole
system, and to the uterus, or womb and
its appendages, in particular. For over-
worked, "worn-out," "run-down," de-
bilitated teachers, milliners, dressmak-
ers, seamstresses, "shop-girls," house-
keepers, nursing mothers, and feeble
women generally, Dr. Pierce's Favorite
Prescription is the greatest earthly boon,
being unequalled as an appetizing cor-
dial and restorative tonic. It promotes
digestion and assimilation of food, cures
nausea, weakness of stomach, indiges-
tion, flatulency and cructations of gas.

As a soothing and strengthen-
ing nerve, "Favorite Prescription"
is unequalled and is invaluable in allay-
ing and subduing nervous excitability,
irritability, exhaustion, prostration, hy-
steria, spasms and other distressing, nerv-
ous symptoms commonly attendant upon
functional and organic disease of the
womb. It induces refreshing sleep and
relieves mental anxiety and despond-
ency.

Dr. Pierce's Favorite Prescription
is a legitimate medicine,
carefully compounded by an experi-
enced and skillful physician, and adapted
to woman's delicate organization. It is
purely vegetable in its composition and

perfectly harmless in its effects in any
condition of the system.

"Favorite Prescription" is a
positive cure for the most compli-
cated and obstinate cases of leucorrhoea,
or "white," excessive flowing at month-
ly periods, painful menstruation, unnat-
ural suppressions, prolapsus or falling
of the womb, weak back, female weak-
ness, "anteversion, retroversion, bearing-
down sensations, chronic congestion, in-
flammation and ulceration of the womb,
inflammation, pain and tenderness in
ovaries, accompanied with internal heat.
In pregnancy, "Favorite Prescrip-
tion" is a "mother's cordial," relieving
nausea, weakness of stomach and other
distressing symptoms common to that
condition. If its use is kept up in the
latter months of gestation, it so prepares
the system for delivery as to greatly
lessen, and many times almost entirely
do away with the sufferings of that try-
ing ordeal.

"Favorite Prescription," when
taken in connection with the use of
Dr. Pierce's Golden Medical Discovery,
and small laxative doses of Dr. Pierce's
Purgative Pellets (Little Liver Pills),
cures Liver, Kidney and Bladder dis-
eases. Their combined use also removes
blood taints, and abolishes cancerous
and scrofulous humors from the system.

Treating the Wrong Disease—
Many times women call on their family
physicians, suffering, as they imagine,
one from dyspepsia, another from heart
disease, another from liver or kidney
disease, another from nervous exhaus-
tion or prostration, another with pain
here or there, and in this way they all
present alike to themselves and their
easy-going and indifferent, or over-busy
doctor, separate and distinct diseases,
for which he prescribes his pills and
potions, assuming them to be such,
when, in reality, they are all only sym-
ptoms caused by some womb disorder.
The physician, ignorant of the cause of
suffering, encourages his practice until
large bills are made. The suffering pa-
tient gets no better, but probably worse
by reason of the delay, wrong treatment
and consequent complications. A prop-
er medicine, like Dr. Pierce's Favorite
Prescription, directed to the cause would
have entirely removed the disease, there-
by dispelling all those distressing symp-
toms, and instituting comfort instead of
prolonged misery.

"Favorite Prescription" is the
only medicine for women sold, by drug-
gists, under a positive guarantee,
from the manufacturers, that it will
give satisfaction in every case, or money
will be refunded. This guarantee has
been printed on the bottle-wrapper, and
faithfully carried out for many years.
Large bottles (100 doses) \$1.00, or
six bottles for \$5.00.
