### CHAPTER I.

#### KNOWLEDGE OF THE CLIMACTERIC NECESSARY.

The people destroyed for lack of knowledge.—

Women created with strength to bear all necessary burdens.—Lack of intelligence among children, young people, and people of middle life.—Relation of the climacteric to the after years.—Why many women are ill-prepared to face the climacteric.—Climacteric or menopause should not affect women of perfect health.—The fear that unnerves many.—Equipped for the change by the Creator.—The purpose of this book.—Passing from the important work of earlier life to other work not less important.—At middle life woman enters upon her larger work, 21-25

### CHAPTER II.

#### CORRECT VIEW CONCERNING THE CLIMACTERIC.

Error of prevalent views concerning "change of life" in woman.—The correct teaching stated.—Terms defined.—The "change" comprehended in the divine plan.—Physicians largely to blame for the false views
