BOWMAN CHARGES CALLED PEANUT POLITICS

Hon. W. J. Hanna Gave Flat Denial to Allegations of Liberal Whip in Connection With Snider's Visits and Was Upheld by Large Majority in the Legislature.

The Snyder incident, closed once and reopened yesterday by a series of grave personal charges laid against Hon. W. J. Hanna by Liberal Whip Bowman, received its final quietus in the legislature at an early hour this morning with the enthusiasm of the members at the closing of the year's session swelling the thunders of applause expressing confidence in the minister. To every charge of corrupt and illegitimate practice advanced by the opposition, concerning the vote on the Scott Act in Welland, Huron and Peel Counties, Mr. Hanna came out with a flat-footed denial. His statement on the subject that he gave a few days ago, stood. It had been the truth and the whole truth.

There will be no investigation into the circumstances of Inspector Snider's visit. Despite the four-hour debate which followed the launching of the attack, and the appeal for a royal commission, the government resolution presented by George Pattinson of South Waterloo, went thru with a vote.

Churchill Wants Compromise On the Home Rule Question

First Lord of the Admiralty Invited Sir Edward Carson To Make an Attempt at Amiable Settlement on the Federal Basis.

LONDON, April 28.—Much interest has been created by a new offer to Sir Edward Carson, the Ulster leader, made by Winston Spencer Churchill, first lord of the admiralty, in the course of a speech in the house of commons tonight. The minister invited Sir Edward Carson to make an attempt to compromise the home rule question on the federal basis. Mr. Churchill is reported to have spoken entirely for himself and without the authority of the cabinet. Many of the Liberals are indignant at him for taking the course he did, contending that it will only be interpreted as a sign of weakness on the part of the government. John Redmond, in an interview, said he did not understand there was anything new in Mr. Churchill's offer, but that if anything came of it he was ready to exert himself to placate the Ulstermen and reach an honorable settlement of the question.

EVANTUREL TO OPPOSE SENECAL CHOICE OF PRESCOTT LIBERALS

Faction Supporting Former M. L. A. Made Vigorous Fight at Convention and for a Time Prevented Nominee From Being Heard—Evanturel to Run as Independent.

Two other names were put in nomination, but they withdrew in favor of Mr. Senecal. Gustave Evanturel, in a fighting speech, declared he would contest the riding as an independent candidate. Thirty-eight polling subdivisions in the riding, out of 40, were represented at the convention, 160 delegates being in attendance.

AWAITING HIS TURN

FEDERAL AID TO C.N.R. TO BE THE PEOPLE'S ROAD IF OBLIGATIONS ARE NOT MET BOARD TO ENFORCE CONDITIONS

Government Forced to Guarantee Forty-Five Millions of Bonds or Allow Completion of Transcontinental Line to Be Suspended or Abandoned Altogether.

OTTAWA, April 28.—The agreement that the Borden administration has concluded between the Dominion of Canada and the Canadian Northern for assistance toward the completion of the latter's transcontinental railway is apparently the only reasonable solution of an aggravated transportation situation for which neither the administration nor the Conservative party were responsible. A railway stretching across the continent with ten thousand miles in its system and costing over three hundred millions, and which needs in the neighborhood of another one hundred millions to complete its plan found itself in the recent and present money stringency unable to raise this sum and at the point that, if it did not get federal or other assistance, it would have to suspend construction and postpone, even abandon, its intentions of doing business across the Dominion from Vancouver to Quebec in connection with services on the provincial lines it had built in Quebec, in Ontario and in all the western provinces, which local lines had been financed on bonds guaranteed by their respective provincial governments.

SEVEN AMERICANS REPORTED EXECUTED

But Sensational Rumer at Vera Cruz Is Without Confirmation.

VERA CRUZ, April 28.—An unconfirmed report was received here today to the effect that six Americans had been taken from the jail at Cordoba and killed and also that another American had been put to death at Cosamaloapan, a town about 60 miles south of Vera Cruz.

FIGHT OVER C.N.R. LOOMS IN HOUSE

Nickle, Bennett and Burnham to Oppose Extending of Aid.

OTTAWA, April 28.—The votes and proceedings of the house of commons tomorrow will contain notice of a resolution to be introduced by the prime minister, authorizing the government to guarantee the bonds of the C.N.R. under the contract and conditions which appear in another column. This resolution, it is understood, will pass thru committee of the whole and be reported to the house without much debate or opposition. When the resolution is reported a bill founded upon it will be introduced and read a first time, and the fight will occur upon the second reading of the bill.

WARD SIX LIBERALS.

Drs. James C. Spence and Wallace Smuck, and the Rev. A. T. Stevenson will speak at a meeting of the ward six Liberals, which is to be held at 234 Gladstone avenue tomorrow night. An excellent musical program has also been arranged.

Power Given to Wrest All Authority From Mackenzie and Mann if Payments Defaulted—Face Value of Stock Reduced Nearly Eighty Millions—Government Guarantees Interest on Forty-Five Millions if Bonds Guaranteed for Three Years After Completion of System—All Private Claims by C.N.R. Builders Against Road Surrendered.

OTTAWA, April 28.—The proposals of the government in connection with the C.N.R., the main provision of which was outlined in the body of the following distinctive features:

(1) Provision is made for guaranteeing the bonds to the amount of \$45,000,000 which, with the other assets now available, is considered sufficient for the completion of the company's line as a transcontinental system. Subsequent betterments will of course be necessary from time to time. The system, when completed, will comprise nearly 10,000 miles of railway.

C. P. R. LINER IS HARD AGROUND

Montfort in Awkward Plight Near Quebec, But Passengers Are Not in Danger.

QUÉBEC, April 28.—Navigation on the St. Lawrence opened some what inauspiciously this morning when the C. P. R. liner Montfort, from London and Antwerp, carrying 175 passengers, ran ashore and stuck on the Beauport flats, about two and a half miles below here. There she still sticks, but will probably be floated at high tide around 8 o'clock tomorrow morning, efforts to pull her off at high tide tonight having proved ineffectual. There is no danger to the passengers, and at latest reports the damage was very slight, while she was making no water.

AMERICANS FREE TO LEAVE MEXICO CITY

VERA CRUZ, April 28.—Consul Canada was advised today by the Brazilian minister at Mexico City that the embargo on Americans at the capital had been entirely raised and that they were free to depart as they pleased.
