

necessary, and the extension of financial assistance at such favourable rates of interest, periods of amortization and other terms, as shall encourage housing.

3. That as its first consideration the said Authority be urged to take action in respect to repairs (rehabilitation), presently needed.

4. That such national housing policy be so framed, with respect to provision for employment, as to endeavour to co-relate and co-ordinate the efforts of provincial, municipal and other public authorities, and private agencies in relation thereto.

All of which is respectfully submitted.

A. D. GANONG,
Chairman.
