And the cares that infest the day
Shall fold their tents like the Arabs
And as silently steal away."*

THE CECILIAN ALL METAL ACTION PLAYER STANDS AT THE
APEX OF PERFECTION

TO hear the limpid singing tone of a "CECILIAN" Piano in your own home is indeed a great privilege. In every corner of the civilized world these incomparable pianos and players have bidden dull care begone and have shed their soothing influence as of old was shed by the immortal St. Cecilia from whom they take their name.

The Cecilian Upright Piano may be converted into a player piano at any time as it contains the special action, space and necessary support for the installation of the all metal Cecilian player action at your own pleasure. Write for catalogue or visit our warerooms.
