HEAD OFFICE, . . . LONDON.

The attention of investors is directed to the important advantages offered by the stock of this Company, which is divided into two classes—Preference and Ordinary. The former offers an unusual degree of security, is entitled to a minimum dividend of eight per cent. per annum, and is especially desirable for those requiring a safe permanent investment, whereas the Ordinary in compensation for the priority yielded to the Preference in respect of capital and dividends enjoys advantages well worthy the consideration of another class of investors. The business of the Company consists in advancing money upon the security of real estate, and investing in the stocks of other Loan and Investment Corporations. Full particulars may be had by addressing

EDWARD Le RUEY,
 Managing Director.
