### **BIG WHEAT CROP** PROMISED IN U.S.

War and Metal Shares Con- Official Report, in Line With Forecasts, Sent Prices Down.

BREAK AT LIVERPOOL

Somewhat of Steadying Influence.

CHICAGO. June &—Altho the government estimate of the system of wheat in the web but for the further advance in mar and metal shares. Seasoned railing at the control basis, were in part against estimated by the control basis and invariably responded adversely to light pressure. This was especially used to the extent total had been accurately figured out in advance. Despecially in the issues at hour, a majority of the market closed at a decline of light to 2½c on swe that the company had lost a substant of vellasby oil lands in California and relations oil ands in California was stated to 165. Which exceeds its provided themselves by a correct close of the second of the season, rising it points to 165. Which exceeds its part of the government report, constituted the market that been developing pressure, due to evening up for the government report, constituted the end of the day approaches pit as the end of the day app

York Concerns Itself With Copper Stocks.

Active Issues Show No

Material Change.

Changes on the Standard Stock Exchange continue to be at the dictation of professionals. Many of these traders are taking the short side for quick turns, and are apparently winning out. Busined at the part of the public 4s. small and there is therefore little real stock be as mostly concerned during the morning session in a forced sale of Brazilian, which was held at noon. Some expected that the 200 shares to be offered would have to be sacrificed to find a buyer, but others of longer siston saw the absurdity of this view because of the large amount of the shares still carried an alen enemy and was not endorsed. The shares brought around 49% and under the circumstances the price was considered a good one.

Locomotive, which sold at 40, registered a good one.

Locomotive, which sold a point lower at New York.

Cohanges on the Standard Stock Exchange continue to be at the dictation of professionals. Many of these traders are taking the short side for quick turns, and are apparently winning out. Busined the sent the second and there is therefore little real stock.

McIntyre in the Porcupines and Timiskaming in the Cobalts were again the aming in the Cobalts were again the aming in the correct and the selling has, therefore, not much justification. Timismaller than it, has been. This seems the correct and the selling has, therefore, not much justification. Timismaller than it, has been. This seems in most of the other issues the trading the complex of the content of the cont on the property.

Peterson Lake was weak without apparent reason, as was also Porcupine Imperial.

# M'INTYRE OUTPUT

MONTREAL, June 8.—A steady de-mand for Iron, which rose nearly two points to 321/2, and finished 317/8 bid, or and Return Highly Pleased and Return Highly Pleased With Outlook.

WINNIPEG, June 8 .- Wheat made another slump this morning of 2½c on both July and October, but quickly rallied on buying orders from country points, owing to the frosts and weather conditions. New crop sales for export were tions. New crop sales for export were reported. Oats showed strength on frost reports. Flax also showed strength. Barley was quiet.

Rains, with temperatures ranging from 24 to 38, were general over Manitoba and Saskatchewan. Alberta had rains with Saskatchewan. Alberta had rains with Porcupines—Dome L. 10

No. 2. nominal, \$1.10; according to freight, outside.

Mill Pointers

(5) A carefully considered Will, in most cases, makes for a spirit of contentment and patisfaction on the part of the surviving members of your family The absence of a Will very frequently gives rise to the opposite

spirit.
