A man without a conscience is a man without principle.
The high premium on honesty proves that it is the best policy.
A handle to a man's name doesn't make him any easier to handle.
A bank failure naturally upsets thepositor who loses his balance.
When sickness results from carelessness nature says "I told you so."
Let a woman have her will and she will give herself away.
The man who goes to law for damages is reasonably sure to get them.
