

TABLE OF PROPER NAMES.

At the request of the Publishers Mr. Gibson of the High School of Montreal, has drawn up the following Table of the principal Proper Names in the foregoing History, in the hope that Pupils may find it serviceable in removing any uncertainty in regard to their correct pronunciation. He has divided the Names into their constituent syllables, marked the accent, and adapted the spelling (within parentheses) as nearly as possible to the sound wherever the pronunciation differs materially from the orthography. In general the silent letters are printed in *italics>.*
