

Ty Cobb Will Report Baseball Games for The World

Note and Comment

It looks like Varsity for the intercollegiate season than Montreal for the interprovincial. The latter team had a close call at Ottawa on Saturday, where they lost to the players are amateurs.

The improvement of the Toronto student team in a week was marvelous. They had everything in the Rugby repertoire, gaining ground by running, bucking, punting and last but not least, worked the dangerous on-side kick as effectively as if Johnny Newton had been again behind the line.

The feature was the performance of John Maynard, who carried the ball on the run, sweeping aside the oncoming tackles almost as ferociously. Through Smith Lawson a year ago, and the new phenomenon is only of ordinary stature.

Maynard is the new full back, the one performed at left half according to the Griffith idea, and not only advanced the ball when necessary, but punts with the accuracy and unerring touch of a professional. He was secured after one of the longest runs ever seen on a local football field.

Capt. O'Neil was none the less brilliant and started the scoring at a stage when the Irishmen from Ottawa showed an ability and inclination to break thru the Varsity line at will.

And it was sure a sorry day for Ireland. There were Egan, Quilty, Sheehy, Gilligan, Lacey, Sullivan, Kennedy, O'Halloran, Harrington and one or two others and the score against them was 35 to 1.

It is interesting to note that a large portion of the star back division players in intercollegiate Rugby were formerly intercollegiate players. For example, the British representative, a grand game for Montreal Saturday, belonged to Queen's University. O'Neil, the Ottawa center, formerly played with Ottawa College, and Murray, Kennedy, now with Ottawa, was an old Varsity player. Argonauts want Smith Lawson's hard to win Varsity, while Hamilton would have been tickled to death if Gage, now with Varsity, had turned out with them.

Are you a Cub or a Mackman? Can the Athletic pitcher and team of stars on with Chance's Chicago machine and Catcher Johnny Kling? First game today.

The next Olympic games will be held in Stockholm, in Sweden, in 1912. The British representative of the International Olympic Committee certain items have been included in the program, which is as follows:

FIRST OF 'WORLD' SERIES TO-DAY AT PHILADELPHIA

Overall For Chicago and Bender or Coombs For Philadelphia the Pitchers.

PHILADELPHIA, Oct. 16.—The great baseball derby, the blue ribbon event of the American diamond, will start here tomorrow, when the championship teams of the two major leagues will meet in the opening game for the world's championship. The contesting teams will be Philadelphia of the American League, commonly known as the Athletics, and Chicago of the National League, usually called the Cubs. They are not only the champions of their respective organizations, but also generally considered as the finest developed teams that the two big leagues have ever produced.

The Cubs will be made up of practically the same men that won for Chicago two world's championships from Detroit, in 1907 and 1908, with the exception of the pitcher, Philander Fox, and the outfielder, Fred Clarke. The Athletics, on the other hand, are a new team, made up of players who have joined the team since the locals lost in a world's series competition against the New York Nationals in 1905. Each team is managed by a veteran campaigner, for Philadelphia, who will play first base, and Philadelphia by Connie Mack, who will direct the team from the bench.

Substitute Players. Injuries to players this month have changed some of the early forecasts as to the Chicago line-up. The pitcher, Philander Fox, who played in a game at Cincinnati on October 1, is generally regarded as one of the best pitchers in the American League. His place at second base will be filled by Zimmerman, who is nearly as good a fielder as Fox and a better batter. Philadelphia suffered a greater loss last week, when Centerfielder Oldring, who is rated as their second best all-around player, was injured and is expected that he cannot play against Chicago.

Manager Mack has four players from whom to select his pitcher, and for Murphy is considered a fixture in right field. These men are Hartzel, Lord and Strunk, who played in the outfield during the championship games, and McInnis, an infielder, who is an excellent batsman. None of these men, however, has the speed and agility of Oldring.

For the first time since the world's series has been played, the National Commission, both the contesting teams will take the field with nearly every man in the line-up. Each team won't its pennant easily and therefore had an opportunity to rest up and to prepare for the big contest with the greatest of the world's attention. Both are rated as the highest types of baseball machines; that is, individual players here, but the National Commission's representative announced the plan of distributing them, practically every man in the line-up.

The majority of the critics and the public generally consider the two teams evenly matched. As to the pitchers, the result was presumptive. As to the pitchers and catchers, it is considered that the Athletics' pitching staff is superior to Philadelphia's. Philadelphia's pitchers are considered to be better than the Athletics' pitchers.

Tremendous interest has been shown in the series all over the country. So great was the demand for seats for the opening game here that even before the National Commission's representative announced the plan of distributing them, practically every man in the line-up.

GIANTS WIN THIRD

Defeat Highlanders in Close Game Before Big Crowd.

NEW YORK, Oct. 16.—Fast baserunning and heavy hitting when it meant runs marked a snappy contest between the New York Americans and the New York Giants to-day. The Giants won by a score of 6 to 4, after Mathewson had been called to the pitching mound to check a desperate rally which the Highlanders made in the seventh inning. The post-season series now stands 2-1 in favor of the Giants.

Mathewson, who pitched for the Giants, was effective in the early innings, but his deliveries were subsequently solved, and they were driven from the box. Knight's shortstopping featured the Highlanders' play, while a one-hand catch of Daniel's wicked drive by Fletcher, cutting off a hit, was the star play of the Giants' defense.

The majority of the critics and the public generally consider the two teams evenly matched. As to the pitchers, the result was presumptive. As to the pitchers and catchers, it is considered that the Athletics' pitching staff is superior to Philadelphia's.

Varsity Win ARGOS LOSE N'GILL DEFEAT QUEENS

Montreal Victorians in Close Game at Ottawa—All the Rugby Fes Its.

Varsity had no trouble defeating Ottawa College at Rosedale Saturday by the score of 36-1, the score by quarters being: 1-0, 1-0, 21-1 and 25-1.

The local college team were superior in every department of the game, and the line showed wonderful improvement over the game the week previous with McGill, and this was due, no doubt, to the work of the coaches during the past week.

Varsity were forced to make a few changes owing to injuries received the week before. Kilduff was replaced by inside right by Clark, a former O. A. C. player. Mike Kennedy played right outside wing in place of Murray Thompson, whose injury ankle prevented his appearance. Dixon was moved from full-back to centre-half, and Gage from centre-half to full-back, and Maynard was moved to full-back. The last-mentioned player made good with a vengeance, particularly so after Red Dixon injured his ankle and was forced to retire.

He showed he had the ability to make a great player; his running could not have been improved on; also his tackling was excellent. Whether on defensive or offensive, he always played excellent football, and his run in last quarter from centre field to goal during the game. His scoring record for the afternoon was two touch downs and three converted tries, giving him 18 points to his credit—not so bad for a first year player.

Company, Gail was steady and reliable, and his kicks were big ground-gainers for his team. He also showed good judgment in handling the various plays, and certainly making an excellent captain, Dixon was playing a nice game until he was injured, and he was forced to retire.
