## BIG LABOR CONVENTION SLATED FOR TORONTO

Organizations of All Kinds of Workers Are Invited to Send Representatives for Political Purposes.

Ottawa, March 13.—A convention call for political purposes for the Province of Ontario has been issued by the provincial executive of the Dominion Trades Congress. The meeting will be held in the City of Toronto on Friday, March 29, at the Labor Temple. The matter to be placed before the gathering is to establish machinery for concerted action by the workers for the purpose of placing candidates in the field for all legislative positions. Trades and labor councils, trade unions, independent labor party, Socialists and co-operators who have organizations, are entitled to seats in the convention. The call signed by Miss C. Grant, Ottawa; James H. Murphy, Toronto; Jos. Dean, London, and H. J. Halford, Hamilton (chairman).

Local labor men here state that the convention is to be a purely organizational meeting, with a view to amalgamating all the progressive working class associations into one political party on similar lines to the National Labor Party of Great Britain. In that way there would be a labor group in the house of commons, with their own whip and chairman, and the possibility of making their own policies. Delegates are expected to be present from all the wide-awake labor organizations throughout the province.

Investigation shows that they have been virtually abandoned.
