EMPIRE'S GREATEST DEFENCE IS NAVY

Is Declaration of Jellicoe to Navy League in Ottawa.

Ottawa, Nov. 28.—Addressing the Navy League at its meeting this afternoon Viscount Jellicoe, first sea lord, praised the work of the Navy League during the war, both on behalf of the navy and the officers and men of the merchant marine, and urged that it be continued during the peace years. It was hard to convince the people, he said, that the danger was over, he said, that there really had been such a great danger, but it was for the Navy League to educate the people of Canada to the realization of the fact that in the navy lay the empire's greatest defence. He hoped that the Navy League's work would be as successful in the future as it had been in the past.

Lord Jellicoe said he was here to advise, if such advice were asked for, as to what Canada might best do in the matter of building up a naval defence. Whatever the government might decide to do, the people must be behind that decision in order that the necessary money might be ungrudgingly spent in the education of the people to the need of naval defence. Jellicoe could carry out good work. Viscount Jellicoe was introduced by Commodore Aemilius Jarvis.

DUBLIN BANK CLERKS TO STRIKE WEDNESDAY

Dublin, Nov. 28.—Announcement is made that the Bank Clerks' Union will notify its members on Monday to strike after business hours on Wednesday in consequence of a circular issued by banking directors calling upon clerks to state individually whether they intend to strike in accordance with a resolution adopted by delegates of the union here on Saturday. This circular is interpreted as a threat of dismissal of any who do not reply. It is reported that the Irish ministry of labor is arranging to arbitrate in the matter.

COURT BROADVIEW HOLD CONCERT

Under the auspices of I. O. F. Court Broadview No. 1203 a concert in aid of Bro. Geo. A. Rinehart was held in Playter's Hall, Danforth avenue, last night. Bro. B. Pyburn, C. R., occupied the chair.

An interesting address was delivered by Bro. Geo. A. Mitchell during the evening and the following artists contributed to an excellent program: Miss Lina Crane, soprano; Marjorie Wilson; Martha Hog, pianist; Myrtle Brown; Marjorie Tall, vocalist and dancer; Barbara Foster, contralto; Percy David; Master Thomas Pyburn, elocutionist; H. W. Thomas, D. R. McWilliams and Harvey Lloyd, comedian.

APARTMENT BLOCK PLANNED

The vacant land on the corner of Ashdale avenue and East Gerrard street was sold recently, and a large apartment block is now in course of erection.

OPPOSING PASTOR'S TRANSFER

In connection with the call of Rev. H. A. Berles to Dale Presbyterian Church, his congregation of Rhodes Avenue Church, of which he is the pastor, are appointing a committee to oppose his transfer, at the meeting of the Toronto Presbytery on Tuesday next.

XMAS TREE COMMITTEE FORMED

In connection with the Rhodes branch G.W.V.A. Christmas tree for the widows and orphans of soldiers, a committee was appointed to solicit subscriptions throughout the district at a meeting of the branch, held in Dion Hall, Rhodes avenue, last night. E. Fitzgerald, vice-president, in the chair.

TO ADDRESS MEN'S OWN

E. B. Lancelotti, just returned from the International Brotherhood of London, Eng., has been secured for the Central Methodist Men's Own on Sunday afternoon, who will speak to the men on "Christ and the Capitalist." The Men's Own Orchestra will furnish the music.

SOME SMALLPOX PRESENT

Smallpox in a mild form exists in the northwest district, including Oakwood, Fairbank, Silverthorn and Earlscourt. In a house on Lansdowne avenue, eleven of the family are down with the disease. There are a large number of cases of chickenpox, and some of these have been mentioned by irresponsible persons as smallpox, thus making unnecessary cause for alarm.

BIBLE CLASS VETERANS REUNITE

The Earlscourt Central Church Young Men's Bible Class entertained returned soldier members at a supper and reunion in the basement of the church last night. A score or so enlisted when the war broke out, and most have now returned, showing the scars of battle. Young Leslie Simons, son of the leader of the class, L. J. Simons, was one who paid the supreme sacrifice. After supper, music and singing was the feature of the evening.

FAINTED WHEN VACCINATED

Clifford Howard, son of T. L. Howard, president of the Citizens' Educational Reform Association, who was recently vaccinated at Palmerston School, is confined to his home. Clifford fainted in the school grounds and was cut severely about the face and hands. According to his father's statement the boy was strong and healthy all his life and never suffered from fainting spells previously.

Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

To see the healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, catted tongue or a nasty breath, in fact to feel your best day in and day out, just try inside bathing every morning for a week. Before breakfast each day drink a glassful of hot water with a teaspoonful of limestone phosphate in it. As a harmless means of washing from the stomach, liver, kidneys and bowels, it sweats out and purifies the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a fine appetite for breakfast. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to demonstrate to those who are subject to constipation, bilious attacks, acid stomach, haemorrhoidal twinges or whose skin is sallow or pallid that one week of inside bathing will have them looking and feeling better every way.

YORK COUNTY AND SUBURBAN NEW

COUNCIL REPORTS ON HIGH SCHOOLS

York Considers Necessity of Providing Either Buildings or Fees.

The growing demand in York county for advanced educational facilities has brought several townships, notably York and Scarborough, to face with the necessity of providing local high schools or paying at least a portion of fees charged pupils in outside or Toronto high schools. The matter was debated the other day by York county councillors and yesterday a report was brought in by the education committee recommending that the bylaw and legislative committee have amendments made to the high school act:

(A) To permit a part of a municipality being set apart for a high school district upon petition of the municipal council, if supported by a two-thirds vote of said council.

(B) To empower a municipal council to levy a rate to cover the cost of the high school education of the children of the municipality, who, under direction of the said municipal council, attend a high school, collegiate institute or technical school in a neighboring city.

Children's Shelter Purchased.
The education committee also reported that the provincial grant for public and separate schools of the county this year is \$2,148,148 and that it would be necessary for the county to raise an equal amount. The report was adopted.

Reeve William Keith of Newmarket reported on behalf of the Children's Aid Society of York county that a cottage had been purchased on Yonca street, near Stop 24, for a children's shelter, at a cost of \$7,000. He said it was proposed to raise the roof and make it a two-story building at a cost of \$2500 and that a similar sum would be expended in furnishings, the total outlay to be about \$12,000. The property has 120 feet frontage on Yonge street and runs back 250 feet.

An appeal was made to council yesterday by a deputation from the 12th York Rangers for the use of the rifles owned by the county which were purchased by the Home Guard early in the war. Colonel Hunter, Colonel Clark and Captain Boylen spoke for the Rangers. Colonel Hunter said they merely wanted for the custody of the rifles, which number 200, and intimated that the regiment had a plan for a general reorganization of the force. Reeve Keith said he could see no reason why the rifles should not have use of the rifles, providing they took proper care of them, and moved that the wardens and commissioners be authorized to draft an agreement with the officers of the regiment and submit to the January session of council. The request will also be given the 6000 rounds of ammunition which is still on hand.

As Influenza is an exaggerated form of Grip, LAXATIVE BROMO QUININE Tablets are in larger doses than is prescribed for ordinary Grip. A good plan is not to wait until you are so sick that you cannot take LAXATIVE BROMO QUININE Tablets in time.

North Gwillimbury Council Will Act on Commission's Advice

A proposal to repay to the township of North Gwillimbury part of the cost of constructing the Jersey bridge caused some excitement among members of the county council yesterday.

Reeve William Keith of Newmarket, who is a member of the Toronto and York Roads Commission, moved a resolution that the council approve of the decision of the roads commission to reimburse the township to the extent of \$4000. Mr. Keith explained that as the bridge had been built by North Gwillimbury shortly before the highway on which it is located was assumed by the commission, the township should be repaid a part of the cost. Several members opposed this unless a clause was added, to the effect that approval was granted on condition that the county was also repaid the \$2000 contributed to the cost of the bridge. Finally a motion was carried approving of the payment, as the commission had recommended, and adding that the highways commission be also asked to reimburse the county.

TWO MORE SCHOOLS

Overcrowding Necessitates Planning for More Accommodation in Woodbine Heights District.

Owing to the increasing need of further school accommodation in the school section number seven, Woodbine Heights, it was decided at a ratepayers' meeting last night to "take up" the question of the erection of two four-roomed schools, one in the east and another in the western section of the district, at the annual meeting in December. It was also decided to write to Sir Adam Beck regarding the delay in the installation of the Hydro-Electric Light and no longer immediate action.

G.W.V.A. MASQUERADE

Under the auspices of the Riverside Branch, G.W.V.A., a masquerade ball was held in Playter's Hall, Danforth avenue, last night. There was a crowded attendance and the costumes of the dancers were of a varied and unique character. Twelve prizes were awarded for the best male and women's costumes in the order of merit. The judges were Dr. Phillips, A. J. Stubbings and Ald. W. W. Hiltz. An instrumental orchestra furnished the dance music, and the proceeds will be devoted to the branch funds.

CONSERVATIVES MEET

Questions of reorganization largely occupied the attention of the committee named by the recent Conservative caucus at a meeting held in the Albany Club yesterday. Hon. G. Howard presiding. The matter of holding a convention next spring was also discussed, but it is understood that no definite decision was reached.

The following other members were elected: G. A. Newton, president; Mrs. H. Martin, vice-president; E. F. Woods, secretary; Mrs. M. Martin, financial secretary; Capt. W. Proudfoot, treasurer; Rev. F. E. Fowler, chaplain.

Senator Proudfoot and Sir John Willison were honored members of the evening. The meeting was addressed by the members in reminiscence of Huron county in the early days.

EXPECT U.S. COAL WITHIN TWO DAYS

Canadian Authorities Perfect Plans for Handling Its Distribution.

Ottawa, Nov. 28.—Arrangements have been perfected by the fuel section of the Canadian Trade Commission for handling the emergency supply of coal released to Canada by the United States administration, and it is expected that the coal will begin crossing at border points within the next two days. Officials of the fuel control office this morning emphasized the fact that no industries will secure coal at present until public utilities, such as hospitals, have been taken care of. The industries which are actually manufacturing goods will have the preference. The board of officials have been literally swamped with applications for coal from different industries, who wanted to place themselves in the "essential" class, but it was pointed out that these applications must go to the provincial administrators by applying directly to Mr. Magrath, who is among the disappointed. It was stated for the provincial officials must pass on their claims for preference before the Dominion fuel controller will take any action.

Makes Starting Announcement On Kingston Housing Conditions

Kingston, Ont., Nov. 28.—(Special).—That there are families living in homes in which human society would not permit animals to be quartered during the winter months, is the startling announcement given to the Children's Aid Society by its agent, John Follie. Mr. Follie says that scarcity of houses accounts to a certain extent for this state of affairs, but he feels that if landlords would accept tenants, irrespective of the number of children in the family, the remedy would be found.

ANOTHER H. C. OF L. PROBE

Winnipeg, Nov. 28.—Winnipeg is to have another cost of living probe. The board of commerce, headed by Judge H. A. Robson, with Commissioners W. F. O'Connor and James Murdoch, will sit in Winnipeg Dec. 8 according to an announcement by Chairman Robson this afternoon.

Milan, Nov. 28.—At a mass meeting in which all the Socialist deputies of the parliament participated last night, resolutions were passed asking the government to energetically suppress Captain Gabriele D'Annunzio's enterprises in Dalmatia, and establish a blockade to prevent food from reaching his troops.

REDUCE KITCHENER'S POWER

Kitchener, Nov. 28.—(Special).—The light-commission was notified by the Hydro Commission, Toronto, that after Monday, Dec. 1, the peak load would have to be reduced by 1,000 horse power, and that no further applications for power were to be accepted after that date.

GAZETTE GOULD'S ELECTION

Ottawa, Nov. 28.—Owing to the long time required to receive the official returns, the election of Oliver R. Gould, the successful grain grower candidate in the constituency of Assiniboia, Sask., has just been gazetted.

When The Day Is Over

When the household cares and the worries of everyday life have dragged you down, made you unhappy and worried, turned to the right prescription.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce's Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growth that nature surely intended for backache, headache, weak, nervous, irregular, and for the many disorders common to women in all ages of life.

Ottawa, Ont.—"I suffered from a bad case of woman's trouble with backache, nervousness, disordered digestion, irregularity and I had great pain all the time, sometimes I would faint at my work. I had one physician after another but they did me no good. I then took Dr. Pierce's Favorite Prescription and it fixed me up all right. I look much better and feel fine. I will recommend the Prescription to all suffering as I did."
