MARKETS LACK BUOYANCY WITHOUT LOSS IN TONE

Wall Street Turns Easier During the Day-Local Specialties Are Marking Time.

Wednesday Evening, Sept. 13. There was no evidence of any broad trend to local securities in to-day's market. Prices fluctuated within a small range and advances in some issues were fully equalized by the declines in others. Brokers are immediate prospects of, advaucing prices.

Money continues firm, and no abatement of this feature can be expected for s veial weeks; To-day's sales bore the ear-marks of a period of marking time, as far as far as far as trade continues heavy. Pipe trade is active. home speculative shares were concerned.

To individualize, C.P.R. remained intact, under pool treatment, and made a jurther small advance to new high prices, with New York, as tsual, some distance in the letting on the information that the company had made a new purchase of ore. General Electric was more active and firmer at about a point advance. These were the firm issues of the day, while, on the oth reside. Sao Paulo and Twin City might be home speculative shares were concerned. tive. side, Sao Paulo and Twin City might be cited as displaying some weakn sa. To onto Railway continues to be asked for without producing a restonse at near recent selling prices. The spusmoute demand for bank shares with sac of Monday has apparently subsided, and prices to day were only steady, with a loss of 1½ points in Optatio.

Vancouver, B.C., Sept. 13.—To secure a sweeping reduction in the rates for arc and incandescent lights Mayor Buscombe is willing to go so far as to champion the establishment or a municipal lighting plant. His pronounced views on this all-important question, it is understood, meet with the sympathstic approval and support of a major ty of the aldermen.
