CASI \$2. One dollar invested now is worth \$2 in the spring-time. Prices will go 'way up when we are no longer selling ladies'

behind the riches we show.

We want all Canada to see what the new goods look like. Those who can't get to the store can send for samples, and the earlier you order the better'll be your nce of getting what suits. These are among the newest but, as far as Toronto is connd the best of them will be snapped up in a hurry:

in. French Novelty Clothy silk and wool, perfect designs, new effect,	50-in. French Fiorentine Serge, plain effect, fine twill, black and colors,		
atest spring shades			
in. German Nebula, fancy designs, in filk and wool, bright effects, very andsome spring shades	46-in. Black Broche, lustrous bright fin- ish, new designs, all wool		
in. Fancy Broche Alpaca, new de- igns, bright effects, intest novelty	46-in. Biack Crepou, silk and wool, new krinkle, bright finish, special de- signs		
in. Shepherd Check Al aca, bright	44-in. Black Broche Alpaca, small de- signs, lustrous finish, new patterns		
in. Black Broche Alpaca, brilliant	42-In. Black Broche Alpaca, bright ef- fect, new designs for spring		
	54-in. Black Alpaca, lustrous finish, fine weave, drapes perfectly, special 1.25		

It is well to remember that dressmakers will work better ow than two months hence, and that every advantage is on if new Dress Goods to choose from, and every possible taste has been considered from quiet richness to luxurious elegance. Send for samples, and if you can't get to the store shop by mail.

1896-SPRING-1896

Ginghams, Zephyrs, Cheviot Suitings, Flannelettes, Dress Goods, Skirtings, Oxfords, Shirtings, Cottonades, Awnings, Tickings, Etc., Etc.

Now Ready SEE SAMPLES IN WHOLE-

to provide each passenger with a seat. Mr. Beverley Jones' idea, or some modi-fication of it, would be an excellent one to embody in future legislation or agreements with street car com-panies. The best way to provide for this nuisance would be to cause the company to sell "standing-room-only" tickets, at 50 for a dollar, which the passenger could use when the company

night while journeying from Owen Scund to the city. Near Orangeville his train became blocked in the snow drifts, and remained there for several a was not able to furnish him with a seat. This would be a square deal, erned, we are afraid we canhours.

cerence, we are afraid we can-not insist upon it. However, the chyster has the authority-under its agree-ment with the company, to insist upon adequate accommodation, both in the requercy of cars and in their scatter capacity. One thing is certain, the To-ronto public will aver submit to the European method of refusing admit-its scatter and one of the day of the state of the state to an or furned average series for the state of the scatter of the working men of the day of the scatter of the day of the scatter of the scatter of the scatter of the day of the scatter o not insist upon it. However, the
