A COMPLETE EXONERATION

-Pointer for Mr. Keating.

special court of reference, composed airman Bell, Ald. Boustead and Hubbard, to which was referred the motion offered by the last-named gentleman in the terday and drew up the formal judgm

which is to be submitted to the Works Committee for approval.

The document is a lengthy one. It fully exonerates Mr. Bain from any charges of necessary or carelessness, and is a weeping condemnation of the high-handed methods which appear to have crept into the administration of some departments of the civic service in recent years. It is vidently the opinion of the committee that the time has come when a check nust be placed upon the nepotistic influences which have brought the service into disrepute and the principle must be recognized that the representatives of the people who pay the salaries are and must be the court of final appeal against the action of heads of departments in such cases as that which recently brought the high level umping station into prominence.

MR. BAIN IS EXONERATED, MR. BAIN IS EXONERATED

MR. BAIN IS EXONERATED,
The judgment sets forth that the charge that Engineer Heal dismissed Mr. Bain in order to make room for his son, Fred Heal, is not proven; that so far as Bain's character and ability is concerned there is nothing whatever against him; that the apparent cause of the trouble, which arose after two years of intimate friendship between Mr. Heal and himself, was that he was requested to go over to the Island pumping station and his expressed fear that he would not be allowed to return to the high level station at the expiration of the season; with reference to the sugsisted suspicions that Bain had tampered or interfered with the engines or apparatus at the station, the committee could not find any ground for them, and also find that the evidence did not prove that Bain had been watching the pumping station or Mr. Heal's house at night.

AN UNJUSTIFIABLE ACTION.

AN UNJUSTIFIABLE ACTION.

The court further finds that Heal was not justified in dismissing Bain in the menner in which he did, but that he should have given him notice before he went on his holidays that he intended to discharge him when he returned, and when he did return he should have given him a week's notice or a week's pay. In accordance with the above finding, it is recommended that Mr. Bain be paid two weeks' salary, and the question of compensating him for the expense to which he has been put for necessary legal assistance to enable him to obtain exoneration from any aspersions upon his character, owing to the manner of his dismissal, is left to the committee for consideration.

THE ROYAL GRENADIERS.

Rev. J. C. Speer of the Broadway Methodist Tabernacle delivered a lecture in the Don Mills Methodist Church under the auspices of the Y. P. S. C. E. of the church last evenling. Rev. Mr. Lasker, the pastor, occupied the chair. The lecture was entitled "Crawlers, Crutchers and Climbers," and under these three heads the reverend gentleman proceeded to describe respectively the mean, contemptible people; secondly, the class that depend upon others to help them along, and lastly, by the "climbers" he referred to the class who start low and by sheer self-reliance and ambition rise to the top. The attendance was large.

Open

Rugby Team Now

In past years the Osgoode Legal and Literary Society elections have proven as interesting as a university hazing or an Irish village fair. It has been the custom for the Osgoode football team to take possession of the entrance to the polling booth and seek to prevent all such as were not known to favor their candidates from casting their votes.

To-day, however, the contest promises to be conducted in a quieter fashion, for the legalites no longer own a Rugby team distinctively their own. Richmond Hall has been selected as the place of polling and the voting will go on all day. Should he contest be concluded early enough The Sunday World will announce the results. Election to an office in the gift of O. H. L. and L. S. is considered a great honor, for among former presidents of the society are to be counted present leaders of the Canadian bar, and even some occupants of the judiciary bench.

Following are the tickets which will contest to-day's election:

MACDONELL TICKET. Claude Macdonell, president; C. A. Moss, 1st vice-president; C. S. MacInnes, 2nd vice-president; John T. C. Thompson, secretary; D. S. Bowiby, treasurer; Evan H. McLean, secretary of committees; Charles W. Cross, E. Glyn Osler, John D. Falconbridge, committee.

Nell McCrimmon, president; W. B. Laid-law, 1st vice-president; J. D. McMurrich, 2nd vice-president; H. B. Robertson, secre-tary; W. H. Moore, treasurer; D. Stuart Storey, secretary of committees; A. E. MacEvoy, J. C. McIntosh, J. G. Merrick, committee

MASSEY MUSIC HALL.

There is not a city the size of Toronto on the continent that could provide from the resources of its local talent such an entertainment as that announced for Thursday evening next, when Miss Jessie Alexander and Mr. J. ROBINSON'S THEATRE.

Manager Robinson has secured Mann & Donna's Own Company for the coming week, and it is said to be one of the best wadeville companies on the road. The company carries Danny Mann and Donna, high-class character comedians; Nelson and Milledge, in their original creation, entitled "Glass Put In"; Mulaney and Lincoln, singing, dancing and tumbiling; Mile. Garetta, troupe of educated cockatoos; Carrie Scott, the Princess Tough, her imitations of the Bowery tough being very clever; Kane and Conley, dancers and comedians, introducing back and wing dancing and parody singing; Manie Fulton, singing the latest song hits; Andrew Jackson, a royal entertainer, and the only man of his race giving a realistic impersonation of the heathen Chinee, and is considered to be the greatest colored performer on any stage; Dorenda, considered to be the King of Clubs; Edith Hail, a little, sweet-voiced singer, always making a decided hit wherever she appears; James Smith, in plantation melodies and negro dancing, will also be among the entertainers. This is the largest and best show given at this house this season, and will, no doubt, draw crowded houses at every performance. ROBINSON'S THEATRE.
