INGERSOLL BEATS WOODSTOCK.
Ingersoll, Ont., Aug. 17.—Ingersoll defeated Woodstock in a very interesting game of baseball here today by a score of 17 to 15.

FOR THE FANS.
Jim Cooney, the ex-Chicago shortstop, who has been playing with Providence since 1892, has been released.

With the Minneapolis pitching staff broken up, it looks to be an easy thing for the Hoosiers to win the title.

The Baltimore Herald offers to give the local team \$1,000 if it finishes first, \$500 if second and \$250 if third. It looks as if the team would capture one of those prizes.

Brooklyn has released Pitcher Al Maul. Last year Maul was the white horse, but this season outside troubles affected his pitching, and he has been far from a success.

In Port Wayne, Ind., a judge found the ball players guilty on the charge of Sunday playing, and fined each man 1 cent and costs, the total amount being less than \$30 for both teams.

Manager Comiskey got a telegram from the Port Dodge manager: "I want three good infielders who can hit, for Aug. 15." "Commie" wired back: "That's all I need."—St. Paul Pioneer Press.

A temporary stand is being built at Louisville and the club owners insist that they will have a team in the league next season, when a handsome steel stand will be constructed after the plan of the St. Louis grand stand.

WHEEL.
PORTER BADLY HURT.
Waltham, Mass., Aug. 18.—Arthur W. Porter, the well-known bicycle rider, was thrown from a tandem during practice spin at the Waltham track yesterday, and it is feared sustained fatal injuries.

Porter and Lee Hammond were going around the track on a tandem, with the latter steering, when the machine suddenly left the track and ran on to rough ground. Both riders were thrown heavily. Porter struck on his head and was picked up unconscious. A medical examination showed that he had sustained concussion of the brain and other injuries. Hammond was not seriously hurt. Porter is a rider of national reputation and is the holder of several records. He is 36 years old.

FISTIC.
A SERIOUS KNOCK-OUT.
San Francisco, Aug. 17.—This morning Dr. Zabel, city physician reported the condition of pugilist Jim Franey, who was knocked out by Frank McConnell in the fourteenth round last night, as much improved. About fourteen ounces of blood has been drawn from the still unconscious fighter with good results, and it is expected that he will regain his senses. The attending physician at the city and county hospital are unable to say whether his condition is the direct result of a blow from his opponent, or whether it was caused by the contact of his head with the floor as he fell in the final round. Frank McConnell, his opponent, and several other "sports" are held pending the outcome of Franey's injuries.

The Conqueror of Kidney Pills.
What Is Its Name?
Doan's Kidney Pills.
All Over Canada People Are Talking About It.

Mr. J. W. Tomlinson, the well-known harness and saddery dealer, Mary street, Amherstburg, Ont., has this to say: "I am well satisfied with Doan's Kidney Pills. They are undoubtedly the best medicine on the market for anyone afflicted with kidney or urinary troubles, such as pain in the back, tired feeling, cramps, uneasiness, etc."

"I am speaking from experience. Before taking them I had been ailing for a long time with a heavy numb pain in the back. The urine was high colored and carried considerable sediment. I felt tired and restless. I have now no pain in my back, the urinary difficulties have disappeared. I am stronger and feel first-rate in every way."

"You may suppose I am overjoyed that I tried Doan's Kidney Pills, and I heartily recommend them to all sufferers."
Rats and mice of the Himalayas are the greatest disseminators of the black plague.

LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to the bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomas' Electric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice I procured the medicine, and less than half a bottle cured me. I certainly believe it saved my life. It was with reluctance that I consented to a trial. The result was such a state that I doubt the power of any remedy to do me good."
