Dr. R. M. Wi.kins, while experimenting with sulphur remedies, soon found

that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from consti-pation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprie-tory article, and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin disease as this remedy."
