

PARMELEE'S VEGETABLE NEW PILLS

Are Anti-Bilious, and a Specific for
the Cure of Liver and Kidney Com-
plaints, Dyspepsia, Costiveness,
Headache, Piles, and will Purify
the Blood, Regulate the Secretions
and Remove all Bilious Matter.

MANY medicines have no effect on the system further than to act as a purgative. They neither cleanse the blood nor stir up the turbid liver to action, and frequently they injure the tone of the stomach and weaken the system.

It is altogether different with **Dr. Parmelee's Pills**, there is nothing more acceptable to the stomach. They give tone, and after using for a few days the invigorating change they affect is astonishing as well as pleasing to the weak and despondent, and for this reason they are specially recommended to the over-worked who have become despondent and melancholy.

They are just the pill to take if suffering with that excruciating agony that so many persons experience after partaking of a hearty dinner. They correct acidity, open the secretions, and convert the food partaken of into healthy nutriment.

They Aid and assist nature in correcting irregularities that often disturb the healthy action of the vital powers either from change of diet, change of residence, or the different seasons of the year.

Mandrake and Dandelion are two of the ten ingredients that enter into their composition. These, in addition to other specifics, make a combination that cannot

be excelled for the liver, arousing it from torpor and congestion, and causing it to perform its functions with ease.

The Liver is a very important organ, and if it is not in perfect health it soon disturbs the whole system, as it is nature's great purifier by which the foul matter that has entered the blood is absorbed and converted into bile.

The most common malady connected with disorder of the liver is biliousness, from which many persons suffer habitually or for long periods. Biliousness is seldom dangerous, but it seriously interferes with the enjoyment of life and prevents a person from doing work with any vigor or satisfaction.

SEVERE BILIOUS HEADACHE — **MR. JAMES JOHNSTON**, General Agent for the Massey-Harris Co., Winnipeg, Man., writes: "I have been subject to Bilious Headache for the last six years, and have tried all kinds of Pills and Patent Medicines to remove this sickness without avail. I tried one box of **Parmelee's Pills** and I can honestly say they are the best medicine I ever took. When suffering from a severe Bilious headache, I took two Pills and had relief immediately, and I can recommend them to any person as a sure and fast cure."

A NEW MAN — **MR. PELUM MABEY**, Walsh, Ont., writes:—"For eleven years I suffered untold agonies with pain in the head, Dizziness and Costiveness. The doctors told me I had Dyspepsia and I took dollars upon dollars worth of medicine but with little relief, finally I tried **Parmelee's Pills**, and I found they did me more good than all the rest of the treatment put together. They have made a new man of me, and I enjoy life better than for years before using the Pills. While ailing I only weighed 150 lbs., but I weigh now 190 lbs."

CAN SAFELY RECOMMEND THEM — **MR. H. H. MOSHER**, Apple River, N.S., writes:—"I find my sale for **Parmelee's Pills** increasing each year. I have tried them in my family and have found them superior to any other Pill, and I have no hesitation in recommending them to my customers."

Price 25c. or 5 boxes for \$1.
If you cannot get them from your
cine dealer, they will be sent per
receipt of price.
