Mr.

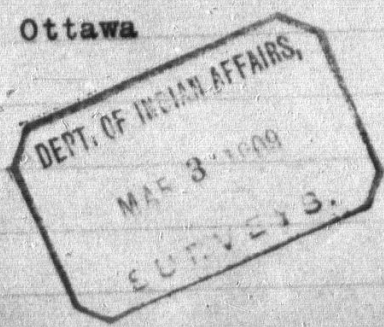

I have the honour to say that I trust my Letters of even number, of the 8 th & 19 th instants will fully explain, satisfactorily, to the Department the points under discussion, relative to the surrender of the Moosomin and Thunderchild Bands. The delay in sending in the Paysheets was because the Receipts were not all in, the last one only coming to hand, two days after the Paysheets had been forwarded to the Commissioner.

As to keeping money in this Office, which should be forwarded to the Department, I would say that neither now, or at any other time, has this been done; as you will see by referring to my Letter No 4 of the 19 th instant.

Yours obediently

J. L. Day
Indian Agent.
