### The Best Thing For Dyspepsia

Why Peppin, Pancreatin, Etc., So  
Frequently Fail

An international specialist whose ar-  
ticles on stomach trouble have been printed  
in nearly every language, recently  
stated that to treat the average case of  
stomach trouble, indigestion, dyspepsia,  
etc., by doctoring the stomach, killing  
the pain with opiates, or by the use of  
artificial aids to digestion such as pep-  
sin and pancreatin, was just as foolish  
and useless as to attempt to put out a  
fire by throwing water on the smoke.  
Instead of the fire, he claims, and facts  
seem to justify his claim, that nearly  
nine-tenths of all stomach trouble is due  
to acidity and food fermentation, and  
that the only way in which to secure  
permanent relief is to get rid of the  
cause, i. e., to neutralize the acid and  
stop the fermentation. For this purpose  
he strongly recommends the plan now  
generally adopted throughout Europe of  
taking a teaspoonful of ordinary bismuth  
magnesia in a little water immedi-  
ately after eating or whenever pain is  
felt. This immediately neutralizes the  
acid, stops the fermentation and per-  
mits the stomach to do its work in a  
normal manner and thus by removing  
the cause, enables nature to quickly re-  
store the inflamed stomach lining to a  
perfectly healthy natural condition.  
For the convenience of travellers it may  
be noted that most druggists are now  
able to supply bismuth magnesia in 5  
grain tablets, 2 or 3 of which will al-  
most instantly relieve the most violent  
attacks of indigestion.

### Better Than a Mustard Plaster

FOR colds in the chest or sore  
throats; for rheumatism or  
stiffness; for sprains and cramps;  
Capsicum "Vaseline" brings  
quick relief.

### CAPSICUM

### Vaseline

It does all that a mustard plaster  
will do, is cleaner, easier to ap-  
ply and will not blister the skin.  
There are many other "Vaseline"  
preparations—simple home reme-  
dies that should be in every fam-  
ily—Capsicum "Vaseline," an  
antiseptic dressing for cuts, insect  
bites, etc.; White "Vaseline," to  
prevent redness and roughness of  
face and hands; pure "Vaseline,"  
for piles, chilblains, etc., and  
others.

booklet describing their many uses

### FARMER'S WIFE TOO ILL TO WORK

A Weak, Nervous Sufferer  
Restored to Health by Ly-  
dia E. Pinkham's Veg-  
etable Compound.

Kasota, Minn.—"I am glad to say  
that Lydia E. Pinkham's Vegetable  
Compound has done more for me than  
anything else, and I had the best phys-  
ician here. I was so  
weak and nervous  
that I could not do  
my work and suffered  
with pains low  
down in my right  
side for a year or  
more. I took Lydia  
E. Pinkham's Veg-  
etable Compound, and now I feel like a  
different person. I believe there is  
nothing like Lydia E. Pinkham's Veg-  
etable Compound for weak women and  
young girls, and I would be glad if I  
could influence anyone to try the medi-  
cine, for I know it will do all and more  
than it is claimed to do."—Mrs.  
CLARA FRAYES, R. F. D. No. 1, Maple-  
crest Farm, Kasota, Minn.

Women who suffer from these dis-  
tressing ills peculiar to their sex should  
be convinced of the ability of Lydia E.  
Pinkham's Vegetable Compound to re-  
store their health by the many genuine  
and truthful testimonials we are con-  
stantly publishing in the newspapers.

If you have the slightest doubt  
that Lydia E. Pinkham's Veg-  
etable Compound will help you, write  
to Lydia E. Pinkham Medicine Co.,  
(confidential) Lynn, Mass., for ad-  
vice. Your letter will be opened,  
read and answered by a woman,  
and held in strict confidence.

### How Thin People Can Put on Flesh

#### A NEW DISCOVERY

"Thin men and women—that big, hearty,  
filling dinner you ate last night  
ing. This is true of this folks the world  
nourishment it contained? You haven't  
gained in weight one ounce. That food  
passed from your body like unburned  
coal through an open grate. The material  
was there, but your food doesn't work  
with millions of fresh new red corpus-  
cles—gives the blood the carrying power  
to deliver every ounce of fat-making ma-  
terial in your food to every part of your  
body. Sargol, too, mixes with your food  
and prepares it for the blood in easily  
assimilated form. Thin people gain all  
the way from 10 to 25 pounds a month  
while taking Sargol, and the new flesh  
stays put. Sargol tablets are a scientific  
combination of six of the best flesh-pro-  
ducing elements known to chemistry.  
They come 40 tablets to a package, are  
pleasant, harmless and inexpensive, and  
all druggists sell them subject to an  
absolute guarantee of weight increase or  
money back.

Cut out the foolish foods and funny  
sawdust diets. Omit the flesh cream rus-  
sians. Cut out everything but the meat  
you are eating now and eat with every  
ounce of those a single Sargol tablet. In  
two weeks you will be a different man.  
Eight good solid pounds of healthy, "stay  
there" fat should be the net result. Sargol  
charges your weak, stagnant blood  
with millions of fresh new red corpus-  
cles—gives the blood the carrying power  
to deliver every ounce of fat-making ma-  
terial in your food to every part of your  
body. Sargol, too, mixes with your food  
and prepares it for the blood in easily  
assimilated form. Thin people gain all
