Wagner in Big Slump.

What is responsible for the remarkable and unlooked-for slump in the batting of the mighty Hans Wagner?

This is the question that has set all Pittsburg agog. The fans are much alarmed, as the "Flying Dutchman" was always looked upon by them as the greatest batter in the world and expected to hold the Pirates up in the race on practically his batting alone.

The last time Wagner slumped noticeably in his batting was due to the mean methods of the fans themselves. It seemed a number of the "bugs" got to betting among themselves on how many hits Wagner would make each day. When he fell down the gamblers roasted the life out of him.

This time the slump is due to another cause. It is said that much bad feeling is prevalent on the team as the result of Wagner's opposition to Flynn as the regular Pitteburg first baseman. The majority of the players on the Pirate team, it is said, sided with Manager Clarke and Flynn, with the result that Wagner became dissatisfied.

Kaufman-Lang Bout Barred.

New York, Aug. 16—Three thousand fight fans who had assembled at the Fairmont Athletic Club here to see Al Kaufman and Bill Lang, the big Australian, fight ten rounds, were disappointed tonight, when the club management announced that the bout was off.

John Purroy Mitchell, the young president of the board of aldermen, who is acting as mayor during Mayor Gaynor's illness, had notified the club that he would not permit the fight to be held.

No Fight for a Year.

Chicago, Aug. 16—Jack Johnson, the champion heavyweight pugilist, declared before leaving for Cleveland that he would not fight again for a year.

Although the champion was scheduled to appear in court yesterday on account of his arrest Saturday for speeding, he said he had left a bond for his appearance and would be represented by an attorney.

Athletic

Flanagan Leaves Force.

John J. Flanagan, world's champion hammer thrower, has left the New York police department, having tendered his resignation on Thursday.

Flanagan had been a policeman since 1903, and up to July 25 of this year spent most of his time doing clerical work.

Capt. Thomson said that Flanagan intends to go to Toronto, where his brother, Thomas Flanagan, is engaged in business.

Wrestler Killed Two.

John Burton, an amateur wrestler, of Alton, Il., choked two men to death with his hands, following a quarrel last week. Burton claims the men attempted to rob him.

Guz Wentz and Lewis Weybrecht were the two men whom Burton killed. The latter was a powerful man, six feet three inches in height, weighing 220 pounds.

Golf

Additional interest has been added to the U. S. amateur golf championship meeting at the County club, Brookline, September 12 to 17, by the announcement that on Saturday, September 10 a team match will be played between the associations of the country. Each association will be represented by its best six players and they will play 36 holes at medal play. There will be almost as much rivalry and interest in this competition as in the championship proper, entries for which will close on September 5.

Your Grocer Knows

EVERY good grocer is willing and anxious to please his customers. Sometimes, if he happens to be out of the goods you ask for, he may recommend a different brand rather than keep you waiting. But when it comes to flour, he knows that Ogilvie's

Royal Household Flour

is one of the things for which there is no substitute. No other flour is "just as good." Ogilvie's "Royal Household" is in a class distinctly by itself. To offer a substitute for "Royal Household" would be like offering oleomargarine to a customer who wanted prime dairy butter. No good grocer would do it. When you tell him you want Ogilvie's Royal Household Flour, he will send that and nothing else.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer. 16

CANADIAN NURSES TO BE ORGANIZED

Toronto, Aug. 17—With a view to uniting members of the nursing profession, the advancement of the educational standard of nursing, the furtherance of legislation in the interests of the nurse, and to afford an opportunity for the public discussion of literary, medical and kindred topics for the benefit of the profession at large, and generally to promote the welfare of Canadian nurses, a corporation known as the Canadian Nurse Editorial Board, has been formed and officially gazetted.

The corporation is without share capital and the head office will be in Toronto. The provisional directors are Isabellt Crosby, Minnie Emily Christie, Elizabeth Ross Greene, Ella Jane Jamieson and Ethel Bovell Barwick.

Mrs. Lillian Stone, in a suit against her husband for the support of their child, testified in a Chicago court that $50 a week is the proper cost for a seven-weeks-old baby. Her husband is worth half a million. All the lawyers present were bachelors and after court they promptly formed a bachelor's club.

AMUSEMENTS FOR OURSELVES AND OTHERS

LYRIC.

Billie Adams, the singing comedian pleased another good sized audience at the Lyric last night, and will be heard for the last time this evening. The pictures for today and tomorrow are well worth going to see, and will include a master piece of the Gaumont Co., "An Easter Reconciliation," which created a sensation when shown in New York some time ago, and was voted to be one of the best subjects of its kind ever made.

Tomorrow afternoon Gertie LeClair and her troupe of fast singing and dancing piccaninites will open a three days' engagement.

THE GEM.

Thrilling dramas and clever comedies, with good music and singing compose the bill for the change of programme today at the popular Gem, and those who attend are promised that the show is a particularly pleasing one. In the big film production, Hoko's Sacrifice, the Vitagraph Company has scored a great hit, the picture telling a highly interesting story of a little Japanese boy sold into bondage by a cruel fisherman. The scenes show the magnificent grandeur of Japan.

The Imp. Picture Company are noted for their original comedy stories, and in the production of Summertime, a rural humorous picture, with many different kinds of love scenes, they have added new laurels. Two other splendid pictures and a song by Prof. Titus, with orchestral music, make up the balance of the show.

THE UNIQUE.

Much has been told and appreciated in motion pictures of the stirring days of our forefathers, who went forth at their country's call and fought for the mother land. The year 1776 contained many thrilling adventures on the battlefield, which have been the theme of picture plays in the past, and they never failed to make an impression. A story of the Cornwallis campaign, 1776, entitled "The Colonial Belle," has been secured by the "Unique" for their feature today and tomorrow, and it is said to be one of the most thrilling and interesting war stories yet presented, being well told and holding the interest throughout.

A subject which will indicate clearly man's indifference to man will be seen in "Love Ye One Another." A long hearty laugh will no doubt be forthcoming when the ridiculous farce, "Jinks" will be shown. "The Wild Ass Skin," an additional feature, is also included and Mr. Sherman has a good number in, "Come Over and Play Croquet."

Frank Alward, aged thirty, of Moncton, was probably saved from fatal injury in the I. C. R. yard last evening. As a freight was leaving the yard, Alward tried to board one of the cars, but fell beneath the wheels. James Marshall, a C. P. R. train dispatcher, hauled him from his precarious position. As it was the wheels passed over his toes. He was taken to the hospital.

The school trustees are asking authorization to issue $20,000 debentures in addition to the $40,000 already authorized. The proceeds are to be employed in building the Weldon lot school.

WHEN THE KIDNEYS GIVE OUT

Backache, Rheumatism and Bladder Troubles Make Life Miserable

Do you ever feel that you simply can't go any further—that you must have rest for that lame and aching back—relief from that constant dead-tired feeling—freedom from those stabbing, darting pains?

This is the condition that so often comes at middle age, bringing with it an extreme nervousness and irritability that makes others think you "cranky" and "hard to get along with."

Likely your kidneys are worn and tired and need help. In any machine there is one part that works the hardest and gives out first. The kidneys work night and day, removing from the blood the uric acid and other waste created by the cruse of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys, and in time the strain tells.

With healthy kidneys, one has a good chance to live long, but weak kidneys afflict old age with great discomforts. The back becomes bent and lame, rheumatism is chronic, eyesight fails, and too frequent or involuntary passages of the urine cause embarrassment by day and loss of sleep at night.

Booth's Kidney Pills bring new strength to old backs, and quick relief to weakened kidneys. They banish backache and rheumatic pain, and regulate the bladder and urine. When once a proper filtering action is restored through curing the kidneys, the dangerous uric acid is once more expelled from the blood, and danger of gravel, stone, dropsy, heart trouble, diabetes and Bright's disease removed.

Booth's Kidney Pills are for sick kidneys in old or young. There is not a particle of narcotic or poisonous drug in this remedy. It is recommended publicly by thousands.

Proof

E. Carpenter of No. 140 Paradise Row, John, N. B., says—

"Some eight years ago I suffered from a strain through lifting and although my back became weak the effect of the strain settled in the kidneys and left me in a very miserable condition. I used numerous prescriptions but got no relief. The desire to [illegible] became more and more frequent and finally I had no control over the kidney secretions. I suffered in this way for eight years and did not even find relief. Booth's Kidney Pills were recommended to me and I tried them. One 50 cent box of Booth's Kidney Pills cured me completely and thoroughly and I am very glad to be able to recommend such a reliable remedy."
