Dr. J. C. Webster Only Canadian at Anniversary Event in London

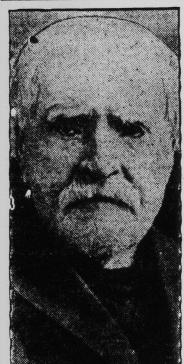

Among the passengers who will sail by the C. P. S. Montnairn today for England is Dr. J. C. Webster, of Shed-Dr. Webster will be the sole Canadian representative at the annual dinner being held on Jan. 3 at the Savoy Hotel, The Strand, London, on the occasion of the 200th anniversary of the birth of General James Wolfe, brilliant military leader in Canada of the British forces in the 18th century and the conqueror of Quebec. Among some of the societies Dr. Webster will represent will be the Royal Society of Canada, The Canadian Historical Society, the Historic Sites and Monuments Board of Canada, The Canadian Authors' Association, The Nova Scotia Historical Society. I'he New Brunswick Historical Socity and the Annapolis Royal Historical Society. He will extend the greetings of the members of the Canadian Societies to the societies of the old country assembled at the dinner.

NOTABLES TO ATTEND. Star representative last evening Dr. Webster stated that the Prince of Wales would be the chief British guest, while Lord Byng of Vimy would be the chairman of the dinner. He stated that the anniversary of Wolfe's birth is really on Jan. 2, but as that day falls noted in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in passing that of all the great with wolfe in some manner or other with Wolfe himself or some of his descendants. on Sunday in 1927 the banquet will be held on Monday, Jan. 3. Many celebrated people from the British possessions will be in attendance and it is expected that upwards of 300 will

sit down to the dinner.

The present Wolfe's Society in England was formerly the Westerham Society and by a curious coincidence the present president of the Wolfe's Soci-try is Sir Charles Warde, who is a di-rect descendant of Charles Warde, who was a boyhood chum of General Wolfe. The was born, and it was not
