WAR 'VET' TELLS HIS EXPERIENCE

"I Just Feel Fine All the Time," Says McDougall, After Taking Tanlac.

Howard McDougall, well known carpenter and life long resident of Harcourt, N. B., is still another who has cause to be glad that he was induced to give Tanlac an honest trial. Mr. McDougall is a veteran of the recent world war, having served overseas for more than two years with the famous 28th Battalion, Canadian Expeditionary Force, and participated in a number of the hardest fought engagements. Here is his statement regarding Tanlac:

"Ever since I returned from overseas about two years ago I have been in a mighty bad fix, that is until I got Tanlac recently. I suffered terribly with indigestion all the time, nothing tasted good to me, and my appetite was so poor I couldn't eat half a meal. I suffered dreadfully from bloating, would wake up every morning with a severe headache and some days I wouldn't leave my bed at all. I had such awful pains in my back every morning it felt like it would break in two when I stooped over, and it would be late in the day before the pain began to ease up. I didn't know what it was to get a good night's sleep, and I simply felt miserable.

"One day one of the boys where I was working told me about the good Tanlac had done him, and got me started on the medicine also. Well, sir, it just knocked my troubles sky-high, and has put me in the best of health. I'm eating great now, my stomach never troubles me, and I'm picking up in weight right along. I sleep good and every night, never have an ache in, and just feel fine all the time. I know what it is but there's something about Tanlac that certainly does the work, and I can't speak too highly of it for what it's done in my case."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by G. W. McKay, Beaver Harbor; Willard J. Colwell, Evans; C. V. Parsons, Highland; John F. Mearns, Debec; O. D. Hanson, Lepreau; E. L. Conley, Leonardville; N. H. Johnson, Clarendon Station, and by the leading druggists in every town. (Adv.)

Word has been received here that Andrew Allerton, for fifteen years manager of the Algonquin Hotel at St. Andrews-by-the-Sea, has been promoted to the important post of manager in chief of all the Canadian Pacific hotel properties in Canada. The appointment will take effect in January.

FARMERS' INNINGS AT THE TARIFF COMMISSION

Representative members of the U. F. O. have appeared before the commission in Toronto and declared that the tariff is responsible for hard times in Canada. Picture is of R. W. E. Barnaby, president of the U. F. O. and the Canadian Council of Agriculture who presented a long argument for reduction of the tariff.

EXPECT RETURN TO MONARCHY IN GERMANY

Berlin, Nov. 21.—(A. P. Correspondence.)—The time for the return of the monarchy will come when the German people will have "drained to the dregs the blessings of the republican form of government," says the Kreuz Zeitung, discussing the anniversary of the German revolution.

The Conservatives' organ adds "that the time is likely to come much sooner than most people imagine." The paper declares that the German proletariat in the last two years has been torn by dissensions which are constantly growing and that it is anything but a collective unit inasmuch as a section of it prefers to celebrate the Russian revolution, while the so-called reformists accept the German revolution as marking a new era.

AGRICULTURAL SOCIETY ELECTS OFFICERS

The annual meeting of the St. John Agricultural Society held yesterday-afternoon at its rooms in Peel street. It was decided at this meeting to hold a county fair and exhibition next fall at Monsepath Park. Officers for the ensuing year were elected and other matters of routine business completed. The officers elected were: President, J. M. Donovan; first vice-president, G. P. Stevenson; second vice-president, F. P. Hamm; third vice-president, E. J. Young; fourth vice-president, F. B. Waters; secretary-treasurer, R. R. Patchell; corresponding secretary, Dr. J. M. Donovan.

Rabbi Abraham Max Hains of Fredericton, a native of Russia, and Louis Rubin, of Bathurst, a hide and fur buyer, who is a native of Russia, have been naturalized as British subjects.

FINDS EVEN BABIES ADDICTED TO DRUGS

New York Police Official Says Four Children, Ranging from 2-12 to 12 Years, Are Victims.

Four children, ranging in age from 2½ to 12 years, who were taken from their parents a few days ago because the parents were accused of being drug addicts, have themselves been found to be addicted to drugs, according to Dr. Carleton Simon, Special Deputy Police Commissioner in charge of the Narcotic Squad, says the New York Times. Dr. Carleton said yesterday that after the children were taken to the Babies' Hospital they refused food, and their lack of appetites was found to arise from edification of the stimulants to which they had become accustomed.

Dr. Carleton said the children would be taken to a hospital, where they would receive special treatment. "This is a particularly pitiful case," he added. "Cases of small children who are addicts unfortunately are not rare, however. Luckily it is a simpler matter to effect a cure with them than it is with adults. We know of babies not yet weaned who acquire the habit from their mothers."

An important arrest in the crusade against illicit drug selling was made when Charles Phillips, alias "Church," was taken by one of the narcotic squad in the Post Office Building. Dr. Simon said that Phillips sold some cocaine to one of his men. The man was carrying on an extensive traffic around Broadway and Forty-seventh Street, Dr. Simon said, and his detection and capture was the result of months of effort. Other arrests are expected to follow.

Dr. Simon said that he had exact information of a well organized "ring" for drug traffic in New York, conducted by former divorcees and gamblers. He is carrying on an extensive campaign against the evil with the cooperation of Federal and State officials, he said. Leaders of the ring, he says, are expected to follow.

SOME PROSPECT OF CHEAPER TRAVEL

The Canadian National Railways tariff bureau, Montreal, is at present engaged in revising the passenger fares tariff and there is an expectation of a reduction of about ten per cent in fares with the coming of the new year.

"THREW AN EVIL SPELL"

Quebec, Dec. 10.—Hearing was commenced here in a peculiar damage suit in the Superior Court on a claim for \$5,000, filed by A. Marceau, of St. Camille, who contends through his attorney, Joseph Leblond, that a resident of the same parish came to his home last August, and, while intoxicated, "threw an evil spell" over his house and his wife, who was at the time in a precarious condition of health. The result was that Mrs. Marceau, it is alleged, became mentally deranged and is still in that condition.
