

 All the Churches are particularly requested to correspond annually with the Association. It is cheering to meet the Representatives of the Churches throughout the Province at an Association, still when Churches cannot conveniently send Messengers, it is pleasing to hear from them by letter.

The Minutes will be sent to all the Churches, with a request that a small sum in future be sent by all, to meet the expense of printing, and any overplus which may be received in this way, will be appropriated for the support of Missionaries in the Province.

Monies received during the Session, exclusive of sums paid over to the local Missionary Boards:—

Minute Money,	£21	2	8
Collections on Sabbath and Monday,	12	13	3
Sundry donations from individuals, amounting to	14	10	1
This overplus appeared when making up the amount received,	1	17	5
	£50	3	5

In some cases the monies intended for Missionary purposes may have been entered as Minute money—from the hurry of business such errors are sometimes committed. It is desirable that all monies intended for Domestic Missions, as far as can be, should be forwarded to the local Missionary Boards previously to the meeting of the Association, which would enable the Treasurers of those Boards to close up their Accounts before leaving home,—less hurry and confusion would then occur.

The Committee of Arrangement presented the following Report:—

“That the Association adjourn for one hour, then to meet, when the Missionary Accounts will be presented, and the Missionary business attended to, after which the ordinary business will proceed.

“That Elder Beckwith be requested to preach at 7 o'clock this evening.

“That the several Committees do attend to the matters referred to them, after preaching.

“That the Board of Directors and Committee of Management of the Education Society meet to-morrow morning at 8 o'clock.

“That Elder Bill be requested to preach at 10 o'clock; after which the Education Society will meet and attend to the business of the Society. The business of the Association will then be resumed, and the Reports from the Committees required.”

RESOLVED, That the report be accepted.

The Association adjourned for one hour.
