MEMORANDUM

Reserves and Trusts

Please note letter hereunder from Chief Councillor Mike T. Montour of Caughnawaga to Mr. Don F. Brown, M.P., protesting against further power lines at Caughnawaga.

It will be noted that the Committee desires to have a copy of our reply which I think should be to the Indian Agent rather than direct to Chief Councillor Montour.

It would be appreciated if you would reply to the letter or indicate what reply should be sent.

T.R.L. MacInnes,
Secretary.
