# FORESIGHT LACKING IN LIEGE ATTACK

New York, Aug. 8.—Reports that  
Liege, the greatest commercial city in  
Belgium, was in flames, in places, as  
the result of German shell-fire, creat-  
ed dismay and rage among the hun-  
dreds of Belgian volunteers who have  
flocked here from all parts of the coun-  
try on their way to Europe. The Pala-  
ce of Justice and St. Paul's Cathed-  
ral, reported damaged by shells, are  
among the oldest buildings in Europe.  
Speaking of the reported destruc-  
tion, Pierre Hall, the Belgian consul-  
general said today:

"It is monstrous and inhuman the  
fight being made into the city of Liege.  
It lies on right bank of the Meuse  
River, in the centre of the circle of  
twelve forts, which comprise the for-  
tifications of the district of Liege. It  
is flatter than New York, and its ap-  
proaches inside the forts are unguard-  
ed. There are 175,000 people in the  
city proper, and in the poorer quar-  
ters the congestion is a serious mat-  
ter. If a fire ever starts there the city  
is doomed."

"The burning of Liege, if it has  
been burned, or if the attack has been  
carried into the city itself, will never  
be forgotten by the Belgian people.  
The Palace of Justice is priceless in it-  
self, and it is filled with relics of me-  
dieval times, the equal of which exist  
nowhere. St. Paul's Cathedral has  
long been a model for architecture."

Brussels, Aug. 8. (Via London, 11.30  
a. m.)—A force of French cavalry ar-  
rived to the east of Liege today,  
according to an official announcement  
here. The French troops were said  
to be rapidly advancing.

# THE RAINBOW GOING TO ESQUIMAULT

(Special to The Standard through the  
Central News Agency.)

Washington, Aug. 8.—The Canadian  
cruiser Rainbow has arrived at Goat  
Island, San Francisco, the navy depart-  
ment learned last night, and notified  
the authorities there that it had no in-  
tention of violating the neutrality of  
the United States, but would sail as  
soon as coal could be procured. Ac-  
cordingly under instruction of the navy  
department only sufficient coal to get  
the ship to Esquimaux, the nearest Cana-  
dian port was allowed to be put on  
board. No complications are expected  
as a result of this action on the part  
of the United States officials.

# USE GERMANS TO HARVEST FRANCE'S CROPS

Berlin, Aug. 8.—The German news-  
papers complain about the diplomatic  
manoeuvres carried out with the ob-  
ject of making Germany appear to  
be the disturber of the peace. They  
maintain that it was Russia who  
pushed Germany to war.

It is reported here that the Ger-  
mans in France who were unable to  
leave within the time limit, are be-  
ing sent to western France and  
being compelled to help with the har-  
vest. They add that German women  
in Russia are being expelled while  
the men have been thrown into pris-  
on.

Matthias Erzberger, leader of the  
clerical party, in the imperial parlia-  
ment and chairman of the arms com-  
mittee, states that the German army  
and navy are both splendidly equip-  
ped, while the German rifles and can-  
non are superior to those of their ad-  
versaries. He declares Germany can  
absolutely rely on her defensive for-  
ces.

# FRONTIER TOWN ABANDONED BY AUSTRIANS

(Special to The Standard through the  
Central News Agency.)

Rome, Aug. 8.—Further particulars  
regarding the progress of the struggle  
between Austria and Serbia reached  
here today in what were stated to be  
official despatches from Austrian and  
Serbian sources.

According to a despatch from Vien-  
na Austria was providing two army  
corps to go to the assistance of the  
German forces on the French frontier.  
These corps are being drawn from the  
central provinces of Austria, Hungary,  
the forces operating against Serbia re-  
maining intact.

From Nish, the temporary capital of  
Serbia comes the report that not only  
is the country now clear of Austrian  
invaders but that a strong Serbian  
force has crossed the frontier into  
Bosnia.

The despatch states that the Aus-  
trian troops have evacuated Visegrad  
on the frontier of the Sandjak of Novi-  
bazar and the town is now in the oc-  
cupation of Serbian forces.

# This Beer is Better

# Pabst Blue Ribbon The Beer of Quality

is better because of its Age, Strength and Purity. The soft smoothness of Blue Ribbon is agreeable to everybody. It has the full flavor of fully matured malt, so plainly noticeable, and a zestful snap which is extremely enjoyable.

Beneath its rich, creamy foam you will find a mellow, delicious beverage that not only satisfies as a drink but is a natural tonic—pure, wholesome and nourishing.

Pabst Blue Ribbon is better beer because it possesses all that is best in beer.

Paris, Aug. 8.—According to reports  
which are believed to be authoritative  
Germany has proposed to Italy that  
French Algeria and the Belgian Con-  
go shall be handed over to Italy as  
spoils of war provided Italy takes up  
arms and fights with Austria and Ger-  
many against the Triple Entente.

GOLD ON WAY TO NEW YORK  
Bar Harbor, Me., Aug. 8.—A special  
train of express cars left here at three  
o'clock this afternoon for New York  
with the \$10,000,000 in gold unloaded  
from the German steamship Kron Prin-  
cessian Cecille. The train is heavily

guarded by armed men.

FRENCH AND ENGLISH  
CABLES WORKING  
New York, Aug. 8.—Of the twenty  
cable wires to Europe seventeen are  
being used today despite the interrup-  
tion of trans-Atlantic communication

following the outbreak of the war. This  
is announced today by the officials of  
Western Union. The postal telegraph  
and commercial communication be-  
tween England and Holland is satis-  
factory, but nothing is known of the  
connection between Holland and Ger-  
many. All French and English cables

connections are working.
