

Chief Money Order Clerk Gives Facts

G. B. Lloyd, 33 Years With Post Office, Says Tanlac is a Splendid Medicine.

When so many well-known people of unquestioned integrity make statements after statement, each and every one of them testifying to the same thing every day, and each and every statement corroborating the other, the truth of such statements can no longer be doubted.

One of the latest to testify regarding Tanlac, the new medicine that everybody is talking about and which is accomplishing such remarkable results in Newfoundland, is G. B. Lloyd, chief clerk in the money order department of the St. John's Post Office for thirty-three years. Mr. Lloyd is one of St. John's best known and respected citizens and when men of this type testify it cannot be doubted that the Premier Preparation is all that is claimed for it.

"Tanlac has certainly set me right," said Mr. Lloyd, "and I am glad to endorse it because I believe it is just the kind of medicine lots of other people are needing. I had been in a general run-down condition for several months, due, I think, to overwork and mental strain. I was not very sick, but was considerably under my usual good, husky condition. My appetite was fairly good, that is I could eat, but my food did not seem to digest and assimilate properly and my energy and strength were gradually leaving me. I had a slight cough, which I did not seem able to overcome, had frequent headaches and was somewhat nervous. I could not sleep well, and had that tired feeling all the time."

"I had tried several medicines that were highly recommended, but they did not seem to have the proper ingredients for my case. Having heard Tanlac pretty freely discussed and thinking it might be what I needed, I got my daughter to bring some home for me. Well, I do not care to make any big claims for what it has done in my case, but I can say frankly that I have found it to be a splendid medicine, for it has benefited me greatly. I am now feeling like my old self again. I am eating and sleeping just fine, have my usual energy and vitality, and can perform my duties without having that tired, exhausted feeling. Tanlac has certainly helped me, and I have personally recommended it to many of my friends for what it has accomplished in my case."

"Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Advt."

CONFERENCE WAS HELD SATURDAY

The Mayor, Commissioners and City Solicitor had a conference Saturday afternoon at city hall with M. E. Agar, Fred A. Dykeman, Mr. Harding and other citizens in regard to the N. B. Power Company's assessment. The matter was discussed from various angles, and both the company and citizens will be given further opportunities to present their views before action is taken.

Fine Sermons At Centenary Church

Rev. H. A. Goodwin Preached at Both Services Yesterday—Excellent Programme Carried Through in the Sunday School.

Two very fine Christmas sermons were preached at Centenary Methodist Church yesterday by the pastor, Rev. H. A. Goodwin. In the morning the text was taken from Matt. II, 2, "Where is He that is born King of the Jews?" The preacher spoke of the two groups of people who discovered the infant on the one side, and the intellectual class—the Wise Men of the East on the other. What made it possible for these two extremes of society to find Christ was sympathy and a readiness for the revelation. The angels proclaimed Christ, the shepherds worshipped Him, the sages offered Him gifts, and yet Herod, only ten miles away in the city, could not find Him though he sought Him diligently.

For the evening sermon the text was John I, 14, "The Word was made flesh and dwelt among us." The subject was "The Divinity of Christ," and the line of thought followed out was that it was the Babe who was Christ as human and follow Him through His life the marvelous testimony that surrounds that life ultimately brings the conviction that Jesus is Divine. It has been said that Christ is a translation of language into life; we look upon Christ and say, "That is God speaking to us in human personality." He came to give us a fuller revelation of God. He is the answer to the cry of a sinful world. He came to reveal that God's highest attribute is not power, or wisdom, but love.

The church was effectively trimmed with evergreen. Beautiful music was rendered by the choir under the direction of Miss Alice Hea.

Sunday School.

At the Sunday School session an unusually good programme was given, the annual presentation of gifts for Christmas distribution being made by the scholars. Each class had its own small trimmed tree, and the platform was laden with useful presents of groceries in charge of the Boy Scouts. The offering, \$110, for foreign missions and \$30 for the Christmas baskets, was the largest ever made in the history of the church. There was a large attendance of parents and interested friends. J. E. Arthur, the superintendent, presided.

The following programme was carried out:

Hymn, "Angels From the Realms of Glory."
Primary exercises, song—Beginners' department.
Junior exercises, Story of the Shepherds—By seven boys dressed as Eastern Shepherds.
Selection by Centenary Orchestra.
Hymn, "It Came Upon the Midnight Clear."
Reading, "The Quest of the Magi."

GREATER MONGTON

The new directory of the City of Moncton contains nearly seven thousand names. Of these 6090 are in the city proper and 723 in the chief suburbs, Sunny Brae 222, LeVallieres 224, Humphrey's 81 and Legers Corner 115. On the usual computation of three persons for each adult in the directory, this gives the city and suburbs a population of over 20,000. This is exclusive of the large floating population and of hundreds of people who work in the city but reside outside, in Shediac, Overdale and elsewhere. In the 1911 directory there were 4420 names in the city, exclusive of the suburbs, so that the increase to 6090 is equal to nearly 40 per cent.—Moncton Times.

MANY SEAMEN WERE ENTERTAINED

Three Hundred Men Enjoyed Programme at Seamen's Institute Saturday Night—Six Hundred Visitors During Day.

Three hundred seamen were entertained at a concert arranged by the Young Women's Patriotic Association on Saturday evening. The following programme, in charge of Miss Madeline deSoyres was given:

Song, Miss Harrington; reading, Miss Manning; song, Miss Harrington. Mrs. A. J. Mulcahy and Miss deSoyres acted as accompanists. During Saturday there were six hundred men visited the building, and three hundred dollars was changed from English into Canadian money. The manager, Walter Brindle, reports \$10 worth of ferry tickets sold and \$12 worth of stamps. One hundred and sixty letters were mailed. The officials of the institute are gratified that so many men are making use of the institute.

It is now possible to make a continuous railroad journey from Perth, Western Australia, to Brisbane, Queensland, a distance of 3895 miles.

HAVE HARD TIME IN THE ST. LAWRENCE

News of the Canadian Recruit, Canadian Government Merchant Marine, received Friday, showed that the steamer, which, after leaving Quebec, had gone ashore five miles west of River Ouellet, had refloated early Friday morning without assistance. She started, however, to float down the ice-choked river and was appealing for aid. Unfortunately there was a vaporous mist that made it quite impossible for the C. G. S. Lady Grey and the Lord Strathcona of the Quebec Salvage and Wrecking Company, to reach her. The former was tied up about forty miles below Quebec, and the latter was unable to leave Quebec. The Canadian Recruit was somewhere off Father Point Friday afternoon, and it was understood that she was making a little water in two holds. The information is all the more to be regretted as the Canadian Government Merchant Marine has had a very successful pioneer season, but in the final rush has had to contend with a sudden change in the weather, which brought not only ice, but bad atmospheric conditions. A sister ship, the Canadian Spinner, started from Quebec about a quarter of an hour ahead and kept in front to that extent all the way, and up to Friday was 140 miles below Father Point. There are still four ships of the C. G. M. M., at Quebec, the Canadian Planter, Canadian Volunteer, Canadian Rancher and Canadian Trapper, all of which are hoping to get away yet. The first and the last two are newly built ships.
