

Lessons in Tire-Saving

THE Goodyear Tire Conservation Course, in 6 lessons, is a miniature encyclopedia of tire-saving, outlining for the benefit of the motorist the things he should do to prevent tire injuries, and to cure those injuries if they do occur. Its specific purpose is to help squeeze the very last mile out of tires.

The course parallels the service of the Goodyear Service Station Dealer. He, also, will explain to you the prevention of, and the cures for, tread cuts, under-inflation, wheels out of line, sand blisters, fabric breaks; he will supply you with Goodyear Tire Savers which will prolong the life of your tires. He can test your wheels for alignment. He can calculate the proper air pressure for your tires. The motorist who utilizes this service is getting extra mileage—lower cost-per-mile—than the motorist who buys on a price or discount basis.

In the local Goodyear Service Station you will find the Goodyear Tire Conservation Course displayed in the holder shown here. Ask for your set.

Athletes From Thirty Nations

Antwerp, Aug. 14—The Olympic Stadium, in which many of the events of the 1920 Olympiad are to be staged, was opened today. In addition to the members of the Canadian Olympic team, a large number of Canadians and Anglo-Canadians came from London and elsewhere to witness the brilliant ceremony. Every formality was observed, and the spectators included royalty and the famous and fashionable of many nations.

The ceremony was staged with a setting of flags, banners and fluttering pennants against a background of white stone, cement and wood. Despite the scenic effects, however, interest of the great assembly centered in the actual Olympic contest—athletes from thirty nations—who paraded the arena and who tomorrow will begin their tests of strength and skill.

GOING TO HALIFAX

Commissioner John Thornton on Saturday sent an entry for Hilton Belles to the North West Arm Rowing Club. The West End champion will row in the open senior singles event and will, perhaps, leave for Halifax tomorrow night. Hilton is in pretty good shape and it will take a very fast oarsman to defeat him. The Renforth four oared crew will most likely enter in the open four oared event. These races will take place on the North West Arm, Halifax, on Saturday afternoon next. There is an excellent programme arranged, and the fact that St. John oarsmen are to compete makes it more interesting.

SOCCER GAME POSTPONED

On account of the bad weather the soccer game announced for Saturday afternoon between the English and Scotch players on the East End grounds, was called off. A decision will be made this week as to when the game will be played.

Recalled by Giants

New York, Aug. 15—Benny Kauff, outfielder, and Bill Ryan, pitcher, were recalled by the New York Giants Saturday from Toronto, of the International League. They will report here at the end of the International League season.
