FILE 402-7F

Blood Indian Agency,

Cardston, Alta., July 10th, 1939.

Sir:-

Outstanding Agency Cheques.
File No. 40103, June 30th, 1939.

*No action
if found*

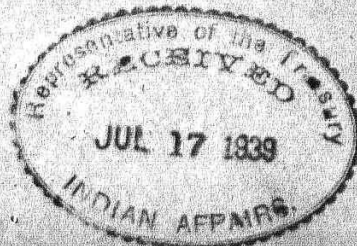

I wish to acknowledge the above file, and in reply I have to advise that I have had a "Bond of Indemnity" executed by the Cardston Rodeo Association of Cardston, with whom Cheque No. 4207 for \$6.00 was cashed. This awaits the signature of Billy Nice Cutter and will be forwarded. I hope that it will be in order, and acceptable.

In regard to Cheque No. 23260, \$2.60, I regret that I have handled this irregularly. The explanation being that I quite unconscientiously paid this account a second time, as a bill unpaid, not connecting this with the cheque above which was missing. An error on my part in not checking back this account. Payment has been stopped at the bank. My letter with enclosure from the Ellison Milling Co. crossed yours of the above date, in which I sought further instructions.

Your obedient servant,

L.W. McCutcheon, Esq.,
Chief Treasury Officer,
Indian Affairs Branch,
Department of Mines & Resources,
Ottawa, Ont.

J.E. Pugh,
Indian Agent.
