Colon, Colombia, Aug. 22-Sever:1 cases of yellow fever have occurred at Panama, the cases, it is said, having been imported from Guayaquil, Ecquador. An urgent appeal was made to the local authorities today in regard to the necessity of the immediate construction of a lezaretto in Panama.

It was pointed out that otherwise the recently increased traffic of the iathmus with Pacific ports must suffer a decrease.

For Men Only.

London, Aug. 28—The officials of the Greater Britain exhibition at Karles Court, London, decided today on account of the recent scandals to close against women the Kaffir Kraal, peopled by 300 African natives, who depict scenes of savage life in connection with the exhibition. An extraordinary scene ensued this evening when some 500 women appeared at the gates seeking admirsion and protesting their disappointment.
