

3. Graduates in Arts, in any University in Her Majesty's dominions, are not required to pass this examination, but may register their names with the Registrar of the College upon giving satisfactory evidence of their identity and certificate of qualifications, and upon paying the fee of twenty dollars.

4. Every Medical Student after Matriculating shall be registered in the manner prescribed by the Council, and this will be held to be the preliminary to her Medical studies, which will not be considered to begin until after the date of such registration.

SECTION II.

MEDICAL CURRICULUM.

1. On and after the first of November, 1892, every Student must spend a period of five years in actual Professional studies, except as hereinafter provided; and the prescribed period of studies shall include four Winter Sessions of six months each and one Summer Session of ten weeks. The fifth year shall be devoted to Clinical work, six months of which may be spent with a Registered Practitioner in Ontario, and six months at one or more Public Hospitals, Dispensaries, or Laboratories devoted to Physiological or Pathological research, Canadian, British or Foreign, attended AFTER being registered as a Medical Student in the Register of the College of Physicians and Surgeons of Ontario,—“But any change in the curriculum of studies fixed by the Council shall not come into effect until one year after such change is made.”

2. Graduates in Arts or Science of any College or University recognized by the Council, who shall have spent a year in the study of Physics, Chemistry and Biology, and have passed an Examination in these subjects for degree in Arts or Science, shall be held to have completed the first year of the five years of Medical Study, and will only be required to pass three years after graduating in attendance upon Medical Studies, and one year thereafter in practical Clinical work before being admitted to their FINAL Examination.

No tickets for Lectures will henceforward be accepted by the Council unless it is endorsed thereon that the pupil had attended at least 75 per cent of each course of said Lectures, as shown by the teacher's own roll.
