

## HER BEST FRIEND.

## A Grateful Woman's Advice to Wives and Mothers.

I feel it my grateful duty to testify to all sufferers, particularly weakly, worn-down females, of the great benefits I have derived from the faithful use of the Electropoise. I have been raised from such a depth of suffering and misery that those who knew my condition a few months since consider me a walking-wonder. I have suffered for twelve years from a distressing affliction peculiar to my sex, and for a whole year past my entire system has been involved. Constipation, most obstinate indigestion, fearful periodical headaches, and worst of all, sleeplessness and nervousness, which no remedies would relieve. I had best medical attention and just lived on tonics and medicines, but found little, even temporary relief. I could not walk to my nearest neighbor's for three months, and suffered almost agony when on my feet. So much for my condition when, in April last, I began using the Electropoise. In one week I could sleep soundly all night with no nervous attacks, and am entirely relieved of my distressing female trouble, constipation and headache; appetite and digestion good, and I have walked two miles without inconvenience. My sleep is sound and refreshing. I only recommend it to others for what it has done for me and mine.

Suffering, worn-out wives and mothers are to be found everywhere, and I earnestly beg them to try the Electropoise, the woman's friend. Where can you find one cured from female complaints who has been cured and her health built up by instruments and medicines? Very many can be found who are well and strong from a few months' use of the Electropoise, without medicine. I feel that under a kind Providence I owe my life and health to the Poise, and bid adieu to medicine, for I have my doctor and medicines always at home in the never-failing Electropoise. It is cheap at any price, for it cures where other remedies fail.

Dec. 14, Mrs. Brown writes: "I would not part with the Electropoise for worlds; it is my best friend."

### CANADA'S VOICE.

Many days and hours of my time are taken up recommending the use of the Electropoise, which I cheerfully do, and I must say that some stop me on the street to thank me for recommending its use to them.

To every reader of THE DELINEATOR we will mail free a copy of our 112 page booklet, giving 250 letters from people who have been benefited and cured by the Electropoise, as well as explaining the wonderful power this little instrument possesses. It is not a battery or belt, but a "Cure for Disease Without Medicine."

ST. JOHN'S, QUE., CANADA, Feb. 19, 1898.

Yours truly,

JAMES MACPHERSON, JR.
