

## Harness That Stands The Heaviest Strains

People who are particular about the kind of horses they drive should also be particular about the kind of harness they use. Furthermore—the best way to get the utmost out of your horses—is to furnish them with the best possible equipment. Our “Carson Quality” Michigan Lumber and Skidding Harness is the best possible equipment that money can buy.

It is made of superior quality oak tanned leather—by skilled Canadian workmen. Built to stand the heaviest strains—it always “delivers” the goods.

We are operating one of the most complete and up-to-date harness factories in Canada—giving unexcelled service in supplying, sorting up orders for all harness parts, hardware, etc. Let us know your wants.

Ask us to send you full information.
