BRUNSWICKAN October 24, 1962

Paul Bunyan watched as forty couples entered the Forestry Building on Wednesday night for the annual Forestry Social. Head Watchman Gord Page claims that Paul smiled brightly as the Queen candidates were escorted proudly past him. The couples were greeted by the gayly decorated official Forestry banner. Special thanks to the girls of Nursing '63 for their assistance! Laboratory displays of Forestry equipment, taped music, and Duquette's punch kept everyone busy until ten o'clock when the Queen can-

Competition Keen

On Tuesday, Oct. 16 the U.N.B. Foresters saw a true Bull of the Woods emerge amid tough competition in well planned events. Our great woodsman, "Big" Stan Williamson, showed both old and new participants why he is champ. Congratulations Stan!

There were a few outstanding features in the field day this year -for instance, Jack Davis' fabulous feat of finishing every event, even though far behind the rest. Nothing like quality over speed, eh "Old Timer" !!!

Following are the winners of the individual events:

Other universities across Canada are again open for business and information is beginning to trickle into the Brunswickan Office of events on these other campuses (campi?).

At Ryerson, the President and the Vice-President of the Students' Administrative Council were forced to resign their positions because of academic failure. The ex-President hopes to run again next year and he blames his failure on too much partici-pation. Some people ask for trouble.
