UNIVERSITY OF SASKATCHEWAN
REGINA, SASK.

Right Hon. Arthur Meighen - 2.

Your re-iteration of your desire to be helpful is, I assure you, greatly appreciated. You have already helped me more and shown me more kindnesses than I had any right to expect but I shall certainly call on you for more information from time to time. Incidentally I expect to be in Toronto on Wednesday next and if you are free at all that day I should like very much to have a chat with you. I'll call your office Wednesday morning and make an appointment if you are going to be free.

Many thanks for the copy of MacQuarrie's article which I have read with considerable pleasure.

Yours sincerely,

Rogers
