Circular No 1

January 4th 6

Sir

With reference to the Circular from this Department respecting the legal status of Indians in regard to Fishing Stations recently addressed to you, I have to request that you will forward as soon as practicable a list of the Stations in your Agency or Superintendency which, in your opinion it would be just and equitable to set apart under fishing leases or licenses for the exclusive domestic use of Indians, as well as a list of any other Stations they may desire to fish for profit under such authority.

Yours
