Mr. K. Saunders,
402 Blowey-Henry Bldg.
Edmonton

Dear Mr. Saunders;

As My Piper J3 aircraft
CF-DGS is now under the process of being registered in my own
name I do not remember if it was to be registered for private
or commercial use. I wish to advise that I want this aircraft
registered commercially.

We are under the process
of setting up a Flying Club for Foremost and would you
kindly advise if there are any legal procedures or anything
to take up with your Department in regards to corming this
Club. I wish you would kindly advise me on the above matters.

for past favors, I am,

Thanking you very kindly

Yours very truly,

A. H. FRANKISH
