RARCHESKIE

ROSEDALE (Imp.)

EVERYTHING!

Bread—meat—cooked fish—vegetables—fruit—anything and everything in the food line you put into a

is minced to perfection. Here too, is a machine which is quite watertight. No food or juices can escape as is the case with most Food Cutters

No Food Cutter works so easily or is so reliable as the "HOME 65"

Four cutting plates (or 3 plates and 1 nut grater.)
Tight fitting screw cap.
Machine quite watertight.
Open end cylinder, easy

Better than any foreign made machine - and cheaper, too! With every "Home 65" we give a "Food Chopper Cook Book" free. ST. MARV'S Dept. D

STOCK BREEDERS OF QUEBEC MEET
The General Stock Breedery Association
of the Province of Quebec held its 30th
annual meeting in Montreat, Pub. 30th.
bers, of which French Canadian cattle
bereders number 174, French-Ganadian
outer breeders 162, hep-proveders 262, hepport, showed a balance of \$2,250.66. Animale were registered during the year as
1,758; sheep, 1,158.
The common idea that Quebec is a
backward province has far a live stock is
by the members. The province has as
many breeders of pure bred sheep as all
the state of the province of the province has as
many breeders of pure bred sheep as all
the three many sheep registered as all
the other provinces, not including On-

commendation for buyers to return in

Among the animals being consigned there are two Canadias champions. Netherand Falorit. from the Day Tensen French. Falorit. From the Day Tensen Fosch. From the herd of Wallace II Mason, of Tyrell. Moreover, there are two year-olds wish secundary records up to file in the later in the Canadian Freord. There is also the cow with the three-year-old yearly record of 19.611 be milk, and mature cows up to 740 lbs. but ter for the Paul II be said subject to the form of the paul II be said subject to the form of the paul II be said subject to the form of the paul II be said the control of 19.611 be suiter for the Paul II be said subject to the

ter for the year.

Every animal will be sold subject to the
tuberculine test. There will be no three
teaters. There will be no shy breeders
Every animal must be in good working
condition.
