

### Get a Line on The Buckeye at the Fair

YOU'VE heard about this wonderful ditch-digging machine. You've read about the money it has made and saved for farmers. But perhaps you've never seen the machine itself in operation. You should, and here's your chance.

The latest type of

**BUCKEYE**  
TRACTION DITCHER

#### A perfect trench at one cut

will be on exhibition at the Canadian National Stockman's Fair, Toronto, Aug. 29th to Sept. 14th.

A Buckeye representative will show how simply and easily the Buckeye operates, and will demonstrate its capacity by actual work.

The Buckeye will cut 100 to 150 rods a day. It cuts a ditch that is perfectly straight, uniform in size and true to grade. It does the work at a small expense and out-classes hand labor methods from every angle.

Put your drainage problems up to this man in charge of our exhibit. Let him tell you how to solve them with the Buckeye. He will also show you how you can make from \$15 to \$18 a day doing contract work for your neighboring farmers.

Get the Buckeye Book of Facts T at the Fair or direct from us.

## Good Times Ahead

THE sudden breaking out of war caused many to "run to cover." Like the chicken on whom the rose leaf fell, some of us became a prey to fear and were ready to declare "the sky is falling."

Now our vision is clearing, our alarm has fled, we have recovered our poise and our courage. We are seeing, also, our opportunity. Swiftly and almost overwhelmingly has come to us the perception of the fact that the competition of Continental Europe has been taken away. We are faced with a condition and an opportunity both tending to our advantage as a country of industry, agriculture and trade. Good times are ahead, if Canada and Canadians see and seize the present opportunity for enlarging their industries and trading.

We must be careful

We must have courage

No. 5—Released August 21.
