

COCKSHUTT SHOE DRILL

For Reliability,
Accuracy and Durability

Cockshutt Shoe and Disc Drills

ARE UNEQUALLED

The Cockshutt Double Disc Shoe will clean where others clog. Notice the anti-friction Inside Rollers. They relieve all side pressure of the Disc Blades and insure lightest draft. The Boot carries the seed down directly to the seed-bed.

The Single Disc Shoe. Dust-proof Bearings. Latest Improved Scraper Attachment. Polished Steel Plate on the bottom of the Boot, which prevents clogging in sticky soil.

Examine Our Drills Before Purchasing.

Cockshutt Plow Co.

LIMITED.
