

BRONCHITIS

**Was So Choked Up
She Could Hardly
Breathe.**

Bronchitis is an acute inflammation of the mucus membrane lining the air tubes of the lungs, and should never be neglected, for if it is very often the disease becomes chronic, and then it is only a short step to consumption.

On the first sign of bronchitis Dr. Wood's Norway Pine Syrup should be taken, and thus prevent it becoming chronic.

Mr. John D. MacDonald, College Grant, N.S., writes:—"My little girl, seven years old, caught a bad cold which developed into bronchitis. She was so choked up she could hardly breathe. Reading about your wonderful medicine, Dr. Wood's Norway Pine Syrup, I decided to try a bottle, and with such good results that I got another which completely cured her. I cannot say too much in its praise, and would not be without it in the house."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trade mark; price, 25 cents.

Manufactured only by The T. Milburn Co. Limited, Toronto, Ont.

The "STAY THERE"
Aluminum Ear Markers
are the best. Being made of aluminum they are brighter, lighter, stronger and more durable than any other. Fit any part of the ear. Nothing to catch on feed trough or other obstacle. WILCOX & HARVEY MFG. CO.,
Dept. D, 443 S. Dearborn St., Chicago, Ill.

DECIDEDLY FRUITY.
"That girl is a peach," enthusiastically remarked the spectator.
"Yes," said another, "and she is the apple of her father's eye."
"She and young Binks would make a fine pair," suggested a third.
"But," objected another in the group, "a fellow like Binks would fine her something of a lemon in the garden of love."
The cynical bystander who had been listening, butted in at this point.
"I don't know the young lady," he said dryly, "but she seems to be very fruitful in her resources."

ALONG THE LINE OF C. N. O. RAILWAY

Dodd's Kidney Pills Work Wonderful Cure.

Mrs. Ed. Lloyd, Weak and Worn and Wracked with Pain, Found Relief and Cure in Dodd's Kidney Pills.

Ardbeg, Ont., March 18.—(Special).—"Dodd's Kidney Pills have done wonders for me," so says Mrs. Ed. Lloyd, wife of a well-known farmer living on the line of the C. N. O. Railway near here.

"I was so weak I could hardly walk around," Mrs. Lloyd continues, "I suffered from female weakness and kidney trouble. My heart troubled me so that at times I would almost pant with the palpitations. I was treated by the doctor, but he could give me no relief."

"I was sick all over when I started to use Dodd's Kidney Pills, Rheumatism, Lumbago and Neuralgia adding to my sufferings. But Dodd's Kidney Pills helped me almost at once. After taking eight boxes I was completely cured."

Naturally, Mrs. Lloyd wants other suffering women to know how she found a cure, and Dodd's Kidney Pills will do for other sufferers just what they did for Mrs. Lloyd, make new women of them.

GOSSIP.

THE MORGAN SHEEP SALE.

The high-class quality of the Hampshire and Southdown sheep to be sold at the dispersion sale of L. E. Morgan, of Milliken, Ont., on Tuesday, March 26th, cannot be given justice in these columns. Of the Hampshires, eight of the breeding ewes are part of an importation made by Mr. Morgan some four years ago, the balance of them are the produce of that importation. Ten of them are bred from imported stock on both sides, 18 are yearlings, all but the yearlings will be in lamb or have lambs at foot, a part of them were bred to an imported ram, and the others to a Canadian-bred ram from imported sire and dam. All are strictly high-class in breed type, quality, and condition. Many Canadian prizewinners were bred in this flock. The Shropshires are up to an equally high standard. Of these there are the stock ram, breeding ewes, and yearlings. In both the breeds are a number of exceptionally choice show animals that will certainly make good when given a chance. This sale will present an opportunity to Canadian farmers that should not be overlooked, as the day is fast approaching when the demand for registered sheep will be greater than the supply, and prices must go up. There will also be sold two imported Berkshire sows and a number of their progeny.

WOODBINE HOLSTEINS.

A. Kennedy, of Ayr, Ont., owner of the splendid Woodbine herd of Holstein-Friesian cattle, is a Holstein man from the ground up. His herd is a large one, and one of the oldest established in Ontario. His foundation stock was carefully selected, and a word as to the royal breeding of the several stock bulls in use in latter years will show that his herd of to-day carries the blood of the most notable of the breed, and they show it, too, in their typical wedge-shape and big, rounded, well-balanced udders. For some time in service was Sir Mechthilde Posch, a son of the great cow, Anthony's Jewell Mechthilde, with a seven-day record of 27 lbs.; his sire, Sir Abbecker Posch, was a son of the renowned Altje Posch, who made the record Canadian two-day test at Guelph of 8.6 lbs. butter. He is thus a brother to the two great cows, Alta Posch, record 27 lbs., and Mercena 2nd, record 27 lbs. Following him was Sir Creamelle, a son of the renowned Duchess Ormsby Hengerveld De Kol, he again by Duchess Ormsby Prince. On his sire's side Sir Creamelle is intensely bred in the great Ormsby blood, noted as one of the richest butter-fat tribes the breed has ever known, as well as for their high seven-day records. The dam of Sir Creamelle was Creamelle Hengerveld, seven-day record nearly 22 lbs., as a two-year-old, and his sire was a grandson of De Kol 2nd, with a record of 26½ lbs. Following him again was King Segis Pontiac Lad, a son of the great show bull, King Segis Pontiac, with seven A. R. O. daughters, and a son of the world's champion for yearly production. Her seven-day record for butter production is 37.21 lbs., and one-year record 1,271.60 lbs. She is a full sister to Pontiac Rag Apple, 31.62 lbs., and a sister to Pontiac Pet, 37.68 lbs. She is also a daughter of Pontiac Korndyke, with four 30-lb. daughters, two of them better than 37 lbs. The dam of King Segis Pontiac Lad is a daughter of the great King of the Pontiacs, among whose many high-record daughters is the world's champion three-year-old, whose record of 31.74 lbs. is still unbeaten; two other of his three-year-old daughters have beaten 30 lbs.; 24 have beaten 20 lbs. as two- and three-year-olds, and seven have yearly records over 730 lbs. butter. He is a son of Pontiac Korndyke, and a grandson of Hengerveld De Kol, who has 115 daughters in the list, 20 of them over 25 lbs. and 6 over 30 lbs. The present stock bull is Duke Beauty Pieterje, whose seven nearest dams have records averaging 27 lbs. in seven days. Carrying such blood as this, for sale are two bulls eight months of age, sired by Sir Creamelle, and several younger ones sired by King Segis Pontiac Lad, out of dams by Sir Mechthilde Posch and Sir Creamelle. Write Mr. Kennedy to Ayr, P. O., or call him up on long-distance phone from Ayr.

The High Pressure Line SPRAYERS

Our Hand-Power Sprayers are efficient, and High Pressure is easily maintained. Our Free Catalogue explains why.
