

TERMS, CASH! WAGONS, TRUCKS & DEMOCRATS

By that we mean **CASH WITH THE ORDER**. On these strict terms our mail order department has assumed the proportions of a young giant. Thousands of buyers in all parts of Canada testify that our prices are right. We want no more proof than that. If you are not a customer of ours already you are not doing yourself justice. At once send us your name and address, and we will mail you our free price list. Here is part of it: 240-pound union scales only \$5 each; 500-pound platform scales on wheels only \$10 each; 1000-pound scales, \$12.50; 2000-pound scales, \$22.

HARNESS.—For only \$15 we offer full nickel-mounted single harness that is equal in every respect to \$25 harness in ordinary harness shops. This is what Mr. H. H. Jones, of Port Alma P. O., Kent Co., Ont., has to say, unsolicited, about a \$15 set of harness he purchased of us: "The harness is faithfully worth \$10 more. I shall not forget to recommend them whenever I get a chance." For an even \$20 we will sell you as fine a set of single driving harness as can be made; it is genuine, rubber mounted (guaranteed). Then \$23 buys a farm team harness (without breeching). Horse collars for working we sell at \$1.50 each.

The best riding road cart in Canada is only \$16. A \$16 cart and \$15 harness, if purchased at one time, for an even \$30, and satisfaction guaranteed. Farm whiffletrees (ironed off) 50c. each. Threshers will find these prices about right.

The plans of insurance operated by the Manufacturers' Life are universally admitted to be not only the most popular but also the most liberal and comprehensive now offered to the public. For a premium not very much larger than is charged for a \$5,000 policy, where the entire insurance is to be paid in one sum down, this Company will give a policy of \$10,000, payable in twenty annual instalments of \$500 each. That's the instalment plan. By insuring on the ten-twenty plan a man may carry \$1,000 for the insignificant sum of twenty three cents a week!

No other company in the world can give cheaper insurance than this.
